Following Expectations=Learning Opportunities

September 8, 2016
School number:
973-677-4000
Hours: 8:15-3:00
Monday-Friday

Welcome to Scholars Academy Preschool! If you are new to our family, Welcome! If you are returning, so happy to see you again!

Staff have been preparing the classrooms, curriculum, and materials for your children to embrace an enriching learning environment and experience!

We have expectations that must be followed to provide the best learning opportunities for your child.

1. All students must be on time. Breakfast is served from 8:15-8:45 and will be cleaned up after this time. Any student arriving late and wants breakfast, their parent/guardian will have to su-

pervise them as staff will be providing instruction. Instruction begins at 8:45. It is **ESSENTIAL** that your child be here on time.

2. Children will not be released to any person who is not registered on the approved pick up list in the classroom. Photo ID is needed. Pick up is 3:00! Be early, not late!

3. Attendance is taking every day and monitored. Chronic absences will be reviewed and followed up by administration. Be on time to pick up your child. 3:00 is the end of the day. Late pick ups are monitored, documented, and will be reviewed for further action.

4. Communication is key! Staff use the district website to post newsletters, resources, and a variety of other goodies so please use the website often. Read all materials that are sent home with your child. It is your responsibility to know about happenings in your child's class and school. www.orange.k12.nj.us/domain/1625

Partnering together will provide a supportive learning environment for your child.

Wanting the Best for Your Child,
Mrs. Machuca, Principal

More Information

The Parent Handbook is available online at www.orange.k12.nj.us/domain/1625.

Use our website often!

Get involved in the PTO and Parent Academy too!

Back to School NIGHT

September 12th at 6:00 in the Café is our Back to School Night!

Parking Lot Safety!

It is important to park in the designated parking spots only! **Do not make your own parking spots and do not park in reserved spots.** There is plenty of parking in the main parking lot and in the

back parking lot as well. Adhere to the speed limit of 5 mph. Your children need to be supervised in the parking lot at all times.

NO Cell phones use in the building! Children are to be supervised for drop off and dismissal and cell phones are a distraction and often involve conversations that are not appropriate for the school setting. Take the time to talk to your child's teachers and read the materials throughout the building instead.

SCHOOL ZONE
NO CELL PHONE USE

September Calendar on the back! Put on your refrigerator!
