Dear Colleagues,

It is now mandatory that all personnel be educated regarding the new regulations on Harassment, Intimidation and Bullying. Please view the attached PowerPoint Presentation and sign below, indicating completion.

Purpose

To ensure an environment that prohibits acts of harassment, intimidation, or bullying of a pupil. To cultivate a safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

I have viewed the educational presentation on Harassment, Intimidation and Bullying.
