BLUEPRINT FOR SUCCESS: PREPARING FOR COLLEGE, WORK & BEYOND

Whether preparing for college, vocational training, or seeking employment opportunities, this conference will prepare 9-12th grade students and their parents with the knowledge and resources to transition from high school to their next milestone.

Participate in lectures, and panel discussions on a variety of topics including:

- The A, B, C's of College Admissions
- Navigating the Financial Aid Process
- Finding the Right School for You
- Alternatives to College

Attend our College Resource Fair with over 15 schools, admissions counselors and more!
