Good Day Orange Township Public School District Community,

I write to you regarding the Covid-19 vaccination cards for your children. In order for the school district to have a clear accounting of students that are vaccinated, we are requesting that you scan your child's Covid-19 vaccination card to their school nurse no later than Monday, December 6, 2021. This is very important as we continue in our quest to keep all staff and students safe. Below you will find the school nurses from each school across the district. Each nurse's email address and phone number contact are listed below for your usage.

Given the nature of this pandemic, we continue to trust that the Orange Health Department will guide the community through whatever processes are necessary at this time. The Orange Township Public School District will continue to work closely with public health officials, assist in any manner possible, and keep our school community well informed.

Due to the evolving nature of information, residents are encouraged to contact the 24/7 NJ COVID-19 Call Center at 1-800-222-1222 or 1-800-962-1253 if calling from a non-NJ cell phone for the most up to date information. New Jersey residents can also call NJ 211 with questions or concerns about COVID-19 by calling 2-1-1. NJ 211 is New Jersey's statewide comprehensive information and referral service operated by United Way of New Jersey. Residents can also text NJCOVID to 898-211 to receive text information and stay informed. To receive live text assistance, residents can text their zip code to 898-211.

We are in this together as a school community. Your continued resilience during this pandemic has been noticed and certainly appreciated. In Orange, we are one team and are certainly built strong. In closing, please stay safe and know we are here for you.

Educationally yours,

Gerald Fitzhugh, II, Ed.D.
