Emergency Instructional Plan Due to the Health Related School Closure

Gerald Fitzhugh, II, Ed.D.
Superintendent of Schools
“The Teaching Superintendent”
April 9, 2020

Health Related Closure Background

- The provision of home instruction services is guided by N.J.A.C. 6A: 16-10.1 and may include direct services, online instruction, or any other means developed by the district to meet the needs of its students. Days in which students impacted by a public health-related closure have access to home instruction services, consistent with the guidance provided by the State, will count as a school day in compliance with the 180-day requirement and in accordance with N.J.S.A. 18A: 7F-9.
- The Orange Public Schools (OPS) is dedicated to the continuity of instruction, especially when emergent conditions require alternate plans. In the event of extenuating circumstances, OPS will adopt virtual learning platforms (ex: Google Classroom, Class Dojo) and will provide Extended Learning Resources to ensure the continuity of instruction when students are unable to attend school due to district/school closure.

Information Leading Up to the Health Related Closure

- February 28th: Superintendent's Roundtable: Guidance given re: planning and preparation in response to Coronavirus (COVID-19)
- District Website updated providing guidance to faculty/staff, students, parents, and district administration regarding COVID-19
- February 29th through March 2nd: School Nurses sent correspondences to their colleagues, by building, indicating proper handwashing as well as protocols if staff or students exhibit symptoms. Handwashing procedures as well as videos were shared across the district via the school nurses
- A Nurse's Corner was established on the district website providing helpful hints and videos related to healthy lifestyles, combating illness, and proper handwashing videos and techniques
- The County Office sent an email to all Superintendents providing guidelines for COVID-19; this was then forwarded to school nurses for review

Information Leading Up to the Health Related Closure

- March 4th: A Letter to Families and Staff was sent to faculty/staff, parents, and district administration regarding COVID-19
- March 5th: Meeting with the Custodial Team regarding cleaning procedures as it related to ensuring safety protocols for staff, students, and families
- March 9th: Directors, Principals, Supervisors, Informational and Instructional Technology Staff met to begin crafting the instructional plan of action in the event of a health-related school closure. Student and staff surveys were disseminated to all schools to assess at-home access to devices and WiFi/Internet
- March 10th: A Principals Meeting was held at Park Avenue Elementary School to review all guidance documents and expectations in the event of school closure. Principals prepared for the virtual learning professional development sessions that they will lead on March 13

Information Leading Up to the Health Related Closure

- March 10th to March 11th: Evening of March 10th and all day on March 11th: District closed and intensified cleaning took place. School to reopen on March 12th.
- March 12th: The Superintendent hosted a Nurse's Meeting to outline health procedures and reminders to families about sick students and staff as well as expectations
- Device updates were shared with the Supervisor of Educational Technology such to inventory working devices within the district in the event of the need for large scale dissemination. Parent surveys were conducted online/by phone to assess access to devices and Wifi/Internet
- March 13th: The district provided a ½ day (PM) of Professional Development to have staff begin to plan and prepare instructional lessons and supports in the event of school closure. The guidance documents are linked below along with the agenda and outline to principals

Information Leading Up to the Health Related Closure as well as Other Supports

- March 16th: Dissemination of Chromebooks at all district schools-this was a full day program. In addition, students worked with their teachers in order to understand how to navigate the website to find their assignments.
- We had additional Chromebook kiosks throughout the month of March. March 27th (OHS), March 30th (Lincoln), and March 31st (OHS). An example of appointments and calls made can be seen using this link (Lincoln Avenue Distribution on 3-30-2020)
- Additional Kiosks at Orange High School on Tuesday April 7th and at Lincoln Avenue School on April 9th took place. 10 Chromebooks were given out to OHS students on the 7th of April. An additional 122 chromebooks were given out across the district on April 9th.

Internet Connectivity & Device Attainment

- On March 12th and March 13th, the Orange Township Public School District conducted a survey for Internet Connectivity as well as Device Attainment. We were aware that not all families would respond, so a letter from my office was created and announced the deployment of chrome books for student usage.
- There were 321 homes that shared on March 13th that did not have Internet Access and/or WiFi.
- The following companies have shared support via WiFi/Internet during the pandemic; information was shared via phone blast, website, as well as our social media handles (Facebook, Twitter, and Instagram): Comcast and Spectrum. Information was given in the Virtual Instructional Learning Plan given to all students as well on March 16th. The schools and administration have continued to push Comcast as this is the provider for Orange Township.
- On Monday, April 6th, an additional phone blast, email, and text went out to families about utilizing Comcast. We provided phone contact for families as well.

Supports for the School Community

- Administrators, teachers, and support staff calling parents 1) to make appointments for chrome book pick up 2) to keep students on track as it relates to completion of assignments and providing supports 3) to check in on staff through common planning meetings done virtually to keep with the academic and social emotional acumen of the school district.
- Teachers are tracking student completion of assignments-calling families to remind them of the 180 School Year Requirement. In addition, teachers have two sets of Office Hours to provide additional academic supports.
- Guidance Counselors and Social Workers are providing services through Google Meet with students. Notes of calls and support are captured in Genesis.
- The Superintendent has a Trauma Informed Team (Meeting Dates were as follows: March 25th and April 2nd and April 8, 2020.) All meetings are virtual through Zoom set up by the Superintendent of Schools.

Supports for the School Community

- Virtual School Spirit Days (this initiative began the Week of March 23rd.) The week of April 6th, the entire district is participating in the following Virtual School Spirit Week Activities:
- Monday, April 6th: Wear Your School Colors Day
- Tuesday, April 7th: Dress As Your Favorite Book Character Day
- Wednesday, April 8th: Dress as your Favorite Superhero (this includes First Responders)
- Thursday, April 9th: Jersey Day-Dress in your Favorite Team Gear

Breakfast/Lunch Grab and Go Program

- The Breakfast and Lunch Bag and Go Program continues to be evident in 8 locations within the Orange Township Public School District:
- Lincoln, Rosa Parks, Cleveland, Oakwood, Park, OECC, Heywood, and Forest Schools
- Students can report to any of the locations district wide to receive breakfast and lunch accordingly
- We had Orange High School, Newcomers, and Orange Preparatory Academy locations condensed as of Friday, March 27th due to the lack of participation at those locations.
- The total amount of breakfast/lunch grab and go distributed meals as of Thursday, April 9, 2020 was 11,053. The next slide has the break down by week since the launch on March 17, 2020.

Maintaining Social-Emotional and Physical Well Being

The following were tips for students that we posted and provided to families:

- Keep a schedule-wake up at the same time everyday
- Have meals at the same time everyday
- Share kindness with friends on social media platforms; continue interactions as this time can be deemed as lonely
- Relax: Listen to music, write poetry, draw, read, talk to friends and family

Instructional Supports during the Health Related School Closure

- It is important for parents and students accessing our various virtual learning sites across schools, teachers, grade levels, departments, and content areas to have consistency in the process. The process for navigating to a teacher's emergency Extended Learning Resources page (for at-home instruction) is as follows:
- Visit the school website -- Faculty -- (select the teacher) – Extended Learning tab (or content is located directly on teacher's homepage).

The Prince - Chapters 10 & 11

Quote	Response
<p>Chapter 10</p> <p>"And whoever shall fortify his town well, and shall have managed the other concerns of his subjects in the way stated above, and to be often repeated, will never be attacked without great caution, for men are always averse to enterprises where difficulties can be seen, and it will be seen not to be an easy thing to attack one who has his town well-fortified, and is not hated by his people" 66-67</p> <p>Key terms: fortify, caution</p>	<p>If a state "fortifies" or strengthens their country with defense, then people will attack them with great "caution" or they will be mindful of your power when attacking because they know that your state is very well protected. Machiavelli also says that prince who fortifies his town is not as easy to attack. I agree with this quote because if you put the time and effort into building a defense mechanism to protect you and your people then you will face less difficulties when others try to attack you because you are already prepared. This will also make you "not hated" by the people because they will know that you're protecting them and not just yourself.</p>
<p>"Therefore, a prince who has a strong city, and had not made himself odious, will not be attacked, or if anyone should attack he will only be driven off with disgrace" 67</p> <p>Key terms: odious, disgrace</p>	<p>A prince who has established a "strong" and stable city and has not made himself "odious" or hated by his own people should not have to worry about being attacked because he is on good terms and has done everything right. But if he is attacked they will be driven off with "disgrace" because there was no reason for the prince to be attacked in the first place so in this case the attacker is in the wrong. I feel as if this still applies today. We say to treat others with respect if we want the same in return and this is kind of similar because if we do everything correct and do nothing to start any problems then no one will have a reason to come and mess with you.</p>
<p>Chapter 11</p> <p>"These princes alone have states and do not defend them, and they have subjects and do not rule them; and the states, although unguarded, are not taken from them, and the subjects, although not ruled, do not care, and they have neither the desire nor the ability to alienate themselves. Such principalities only are secure and happy"</p> <p>Key terms: secure, happy</p>	<p>Machiavelli in this passage is talking about ecclesiastical principalities which are principalities that relate to the Christian Church. The reason why these types of principalities don't need to be guarded or ruled over is because the religion of Christianity already does that so the prince does not have to. I agree that these principalities are typically "secure" and "happy" because they obey God and will do what he bible says without question. They</p>

have no problem with following his rules because they believe that's what they're meant to do. But if a random prince were to control them then they would have a problem because they don't see any prince even near to the level God is at.

Questions/Comments: It took me a while to fully understand these two chapters but now I think I get what Machiavelli was saying.

Example of Work Samples

Conic section - a curve that is the intersection of a flat surface or plane with an infinite double cone. Conic sections include parabolas, ellipses, and hyperbolas. Circles, lines, and points are special cases of the conic.

The focus (a point) and the directrix (like the chord of a parabola) can be used to define either part of a conic (such as a parabola). For any point on a parabola, the length of the segment between the focus and the point is equal to the length of the segment perpendicular from the point to the directrix.

$$x^2 + (y-2)^2 = 4$$

$$x^2 + (y-2)^2 - 4 = 0$$

$$x^2 + y^2 - 2y - 2y + 4 - 4 = 0$$

$$x^2 + y^2 - 4y = 0$$

$$x^2 - 4y + 4 = 0$$

$$x^2 + 4 = 4y$$

$$y = \frac{1}{4}x^2 + 1$$

① Yes, it's touching at one point

② $MN = NP$ $128 + x = 270 - x$
 $\downarrow -128$
 $x = 142 - x$
 $\downarrow +x$
 $2x = 142, x = 71$

③
 $JK = 39.5$, so $KH = 79$
 $JH = 180 \text{ cm} - 79 = 101$, $JK = 101$

④ $AB = 2 \cdot 32$, $AC = 64$. $\angle A$ opens to the same curve, so $\angle STR = 32^\circ$

⑤ $\widehat{AD} = \widehat{CD} \rightarrow C = 178 + 27 + 50 + 69 = 360$ $\widehat{CD} = 67 = \widehat{DA}$
 $\angle ACB = 280^\circ \rightarrow \angle C = 280 + 20 = 300$, $\angle ACB = 280$
 $\angle ADB = 180^\circ \rightarrow \angle A = 180$
 $\angle ADB = 20^\circ \rightarrow \angle B = 180$
 $\angle C$ is last option 70°
 $\angle F = 180^\circ \Rightarrow \angle F + \angle D = 180^\circ$, $\angle D = 110^\circ$
 $\angle G + \angle E = 180^\circ \Rightarrow \angle G + 117^\circ = 180^\circ$, $\angle G = 63^\circ$

⑥ 8 is a fine number too be honest.

0 Degrees $\cdot \frac{\pi \text{ radians}}{180 \text{ degrees}} = \frac{160 \pi \text{ radians}}{180} = \frac{4\pi}{9} \text{ radians}$

5 Degrees $\cdot \frac{\pi \text{ radians}}{180 \text{ degrees}} = \frac{22.5 \pi \text{ radians}}{180} = \frac{\pi}{8} \text{ radians}$

180 Degrees $\cdot \frac{\pi \text{ radians}}{180 \text{ degrees}} = \frac{180 \pi \text{ radians}}{180} = \pi \text{ radians}$

360 Degrees $\cdot \frac{\pi \text{ radians}}{180 \text{ degrees}} = \frac{360 \pi \text{ radians}}{180} = 2\pi \text{ radians}$

$\frac{190 \text{ degrees}}{\pi \text{ radians}} = \frac{1900 \text{ degrees}}{9} = 200^\circ$

$\tan(60^\circ) = \frac{10}{x}$
 $x \cdot \tan(60^\circ) = 10$
 $\tan(60^\circ) = \frac{10}{x} \Rightarrow x = \frac{10}{\tan(60^\circ)} = 31.25$
 it's about 31.25 feet away.

$\frac{360 \text{ degrees}}{5 \text{ radians}} = \frac{360 \text{ degrees}}{5} = 72^\circ$

Attendance for Students

**Orange Township
Public Schools**
Glasshebra Jones Dismuke
Executive Director of Human Resources

Gerald Fitzhugh, II, Ed.D.
Superintendent of Schools

To: All Instructional Staff

Re: Distance Learning – Student Attendance

I would be remiss if I did not take a moment to thank each of you for your hard work during this distance learning initiative. Always remember, we are in this together!

This memorandum is to provide guidance on capturing student attendance during the distance learning period. All teachers are to record student attendance using Genesis for all classes as students login to complete daily assignments. As we are aware, there are situations, whereby there are multiple students using a single device, teachers should mark a student's attendance based on his/her attempt to complete the assigned work by 10 a.m. the following school day, as this allows students ample opportunity to complete assignments and receive credit.

Example:

If a student logs in to complete an assignment at 10:30 p.m. on March 19, 2020, the teacher is to review the student's work for March 19, 2020 and on March 20, 2020 by 10 a.m. mark the student present for March 19, 2020.

If a student fails to complete an assignment by 10 a.m. the following school day, the student is to be marked absent and the classroom teacher or paraprofessional should continue to reach out to parents using one of the approved platforms; ClassDojo, Remind, SchoolWires, email or a phone call to inquire about the status of the assignment. For all phone calls, a call log should be retained in Genesis. *When dialing from your personal number, be sure to press #67 in order to block your personal number.*

As there are multiple ways to capture student attendance using Genesis, we recommend using the following steps:

Genesis → Gradebook → Class Attendance

If you have any questions, contact your building principal or union leadership|

Attendance for Staff

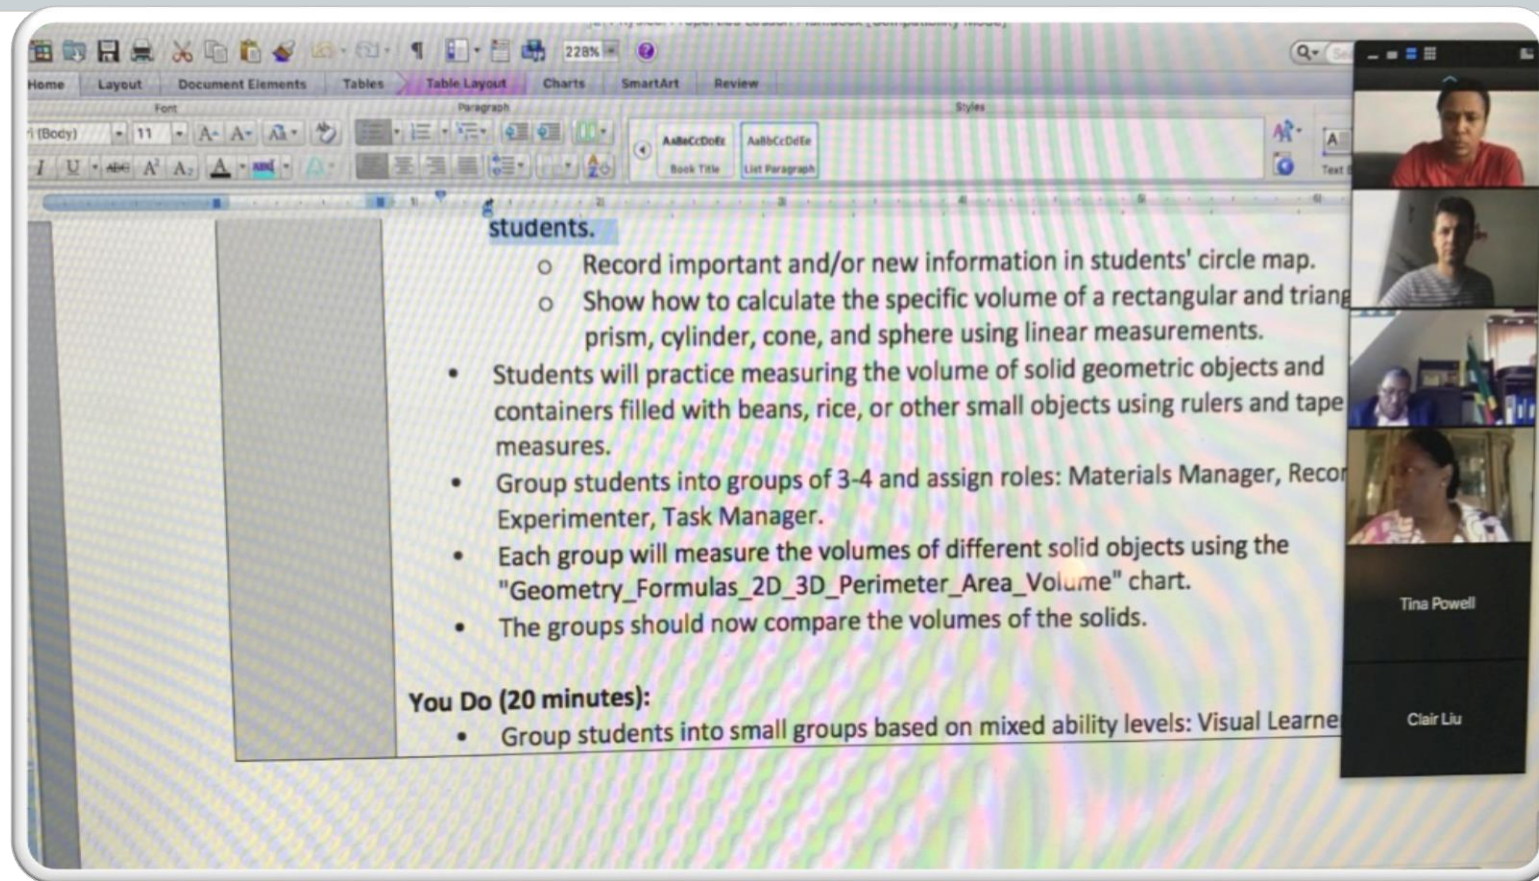

- Staff members must check in with their building principal no later than 8:30 AM
- Each week, staff attendance reports are emailed to Ms. Dismuke, Human Resources Executive Director for review and then to Ms. Atkins in Payroll
- Staff members follow the same procedure if they chose to call out for the day (that is; calling ESS directly as is normal practice)
- Staff members are responsible for office hours

Instructional Supports

- It is important to note that common planning team meetings (CPT) aligned to the instructional plan continues on a daily basis. These common planning meetings are evident across content areas including special activity, departmental, school -- including but not limited to Special Education and ELL.
- Administrators discuss the use of data from formative assessments to make decisions to inform on future lessons.
- As Superintendent, I have gone into some of the virtual CPT Meetings and lent instructional supports to the staff.

Virtual Interviews

Friday, April 3, 2020

The image shows a virtual meeting interface. On the left, a presentation slide is displayed within a Microsoft Word window. The slide content is as follows:

students.

- Record important and/or new information in students' circle map.
- Show how to calculate the specific volume of a rectangular and triangular prism, cylinder, cone, and sphere using linear measurements.
- Students will practice measuring the volume of solid geometric objects and containers filled with beans, rice, or other small objects using rulers and tape measures.
- Group students into groups of 3-4 and assign roles: Materials Manager, Recorder, Experimenter, Task Manager.
- Each group will measure the volumes of different solid objects using the "Geometry_Formulas_2D_3D_Perimeter_Area_Volume" chart.
- The groups should now compare the volumes of the solids.

You Do (20 minutes):

- Group students into small groups based on mixed ability levels: Visual Learners

On the right side of the screen, a video call interface is visible, showing four participants in a grid. The names of the participants are listed below their respective video feeds: Tina Powell and Clair Liu.

Principals, Supervisors, & Directors

HR will continue to route candidates that you may have overlooked or have not viewed. Applitrack timestamps when an administrator views a candidate's application to avoid duplicate interviews. Please use the notes tab for candidates you are not interested in interviewing. You can simply state "Reviewed, will not consider at this time."

Please continue to check Applitrack frequently to select candidates from the applicant portal.

In preparation of your interview, please be sure to view the candidate's application and credentials available in Applitrack prior to your scheduled interview session. You have the capability to download the candidate's full application by following these instructions:

- < Open the Applicant's Profile
- <Select Print at the top on the bar
- <Select the materials you wish to download
- <Select the print option
- <Then Select Download to Computer

Interview Process

As you may know, this is a very competitive season as all districts throughout the nation are recruiting. To expedite our process and increase our chances of solidifying your top candidate, we ask that you collaborate with the department supervisor and/or department director to schedule a panel virtual interview. The interview committee may be comprised of the building principal and/or VP, department supervisor and/or director. Once the interview committee has been determined, a pre-conference should take place to outline interview questions.

Once the administrative team determines the final candidate to advance to the final round with the superintendent, the director of the content department should complete the new hire recommendation forms (Board Action Recommendation Form, Rating Sheet, and Interview Record Form) and submit to the Executive Director of HR (via email). In the event, the director is not available for the interview, the building principal will complete and submit all required forms.

Please follow the process- Recommendation forms must **first** be submitted to HR; HR will then forward all approved recommendations to the Office of the Superintendent.

Side Note- As you know, our current hiring process consist of a multi-step signature approval. However, to streamline the process during this time, I am requesting that only one administrator complete the recommendation form and submit. HR will confirm that all appropriate administrators are aware of the recommendation.

How to Schedule a Virtual Interview

In collaboration with the content department Supervisor and/or Director, you would need to set-up virtual interviews with the candidate using one of the virtual platforms recommended below:

1. Google Meet
2. Hangout
3. Zoom

Tips for Conducting a Successful Video Interview from Home

- Do a trial run before the interview
- Set up your camera & any headset or microphone ahead of time
- The ideal background is tidy, distraction-free, quiet & well-lit
- Dress professionally
- Avoid making hand gestures, which can “stutter” on the screen

Summary of Virtual Recruiting Process

- Establish Interview Committee (Panel)
 - Schedule Pre-Conference with Interview Committee (Panel) to discuss interview questions and order of session. Each administrator should download the credentials of the candidate from Applitrack
 - Schedule and Conduct Interview
 - Hold a post interview conference with the interview committee to discuss the candidate and complete rating sheet
 - Once a candidate has been decided upon, the Director or Principal should complete the following forms:
 - a. Recommendation for Hire form
 - b. Collect all Rating Sheets
 - c. Complete and submit Record of Interview Sheet
- All rating sheets from the interview committee should be sent to the administrator submitting the recommendation. That administrator or his/her designee (secretary) should then send one email to the Executive Director of HR with all attachments. Please do not send in piece mail.*
- HR will confirm receipt, review and if approved will route the recommendation to the Office of the Superintendent for a final round interview
 - Following the final round the Executive Director of HR or her designee will notify essential administrators if the candidate was approved for hire
 - If approved, the candidate will be recommended to the Board of Education at its upcoming Board meeting
 - If denied, the HR department will notify essential administrators and the candidate
 - Following BOE approval, HR will execute the on-boarding process
