

# Meet ... Mrs. Curran

## About Me

My name is Mrs. Curran and I can't wait to begin a brand new school year teaching third grade math and science! I have twin boys who will be turning 8 in November and have a dog named Chase. I love dancing, movies, music, and playing outside with my boys. This year we will be learning through discovery and talking about new concepts with our peers! Welcome to third grade!

## Education

This will be my 11th year teaching at Park Avenue! I attended Sacred Heart University in Connecticut where I received a bachelor's degree in Psychology and a master's degree in Elementary Education.
