During the month of June, the board lobby featured a display by Lincoln Avenue School students in a variety of mediums in vibrant colors. The work conformed to visual standards for individual grade levels, utilizing shapes, textures, forms, mediums and application methods, including fabric, yarn, glue, construction paper, color pencils and watercolor.

Students drew fish, created owls, reproduced paintings by Van Gogh, and imitated African fabrics and designs, exploring its cultural significance. Art teacher

Ms. Monica Chavarria was present, along with Principal Aretha Malloy and Lincoln Avenue staff members to enjoy the exhibit. Visual and Performing Arts Supervisor Donna Sinisgalli and Interim Superintendent Ronald C. Lee were also there to acknowledge the display of student talent and craft.

June Board of Education Meeting

The Lincoln Avenue School students gave powerful presentation on the impact of gun violence in schools, "Behind Every Bullet is a Story," with a dramatic performance that included rap, poetry and monologue. It was moving and elicited somber reflections by the audience, but was well received and applauded for the level of interpretation by the young presenters. Principal Aretha Malloy was duly proud of her students and thanked them, their teachers and parents for attending and lending their support.

The Newcomers' Academy is a unique program that enables "Port of Entry" and beginner level students to receive concentrated English as a Second Language (ESL) instruction. These students, in Grades 3 – 7, who are newly enrolled at the district's elementary schools, are transported to Lincoln Avenue School daily to receive instructions as newcomers. The goal of the Newcomers' Academy is to provide them with intense English instruction in order for them to actively participate in all required course work. The program lasts 18 weeks and is administered by Ms. Caroline Onyesonwu, Supervisor of Bilingual/ESL/World Languages Programs. At the conclusion of the program, newcomers return to their home schools.

Newcomers' Academy is also available to students in grades 8 – 9 at Orange Preparatory Academy (OPA) and to students in grades 10 – 12 at Orange High School.
