Dear Dr. Fitzhugh and District Staff,

The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime. ~ Babe Ruth, baseball legend

There is no doubt that Orange Public School's leadership team emphasizes collaboration. We are incredibly proud of your work and elated to see the success you have achieved. The recent score on the "New Jersey Quality Single Accountability Continuum" (NJQSAC) are clear proof of this. We want you all to know that we see your effort and greatly appreciate all your hard work and the passion you put into everything you envision and plan. It is evident that you are ensuring that our school district is providing thorough and efficient education for our children. It is our hope that this result will have a highly positive impact on our scholars, teachers and staff. You do not take your job lightly, and for that, we are truly grateful.

We are excited to see what comes next, as we see our district go from *Good to Great*. You have our support and admiration. Congratulations on closing a challenging but strong year!

Best regards,

Ms. Cabido
Ms. Gravesande
Ms. Johnson
Ms. Mateo
Mr. Sherif
Mr. Wingfield
