

# 7TH GRADE ELA

## SYLLABUS

### ELA IS EVERYWHERE!

In this class, it is a part of my own goals to show you ELA touches upon many different disciplines. Each student has different dreams and aspirations-- some will grow up to be scientists, politicians, construction workers, lawyers, teachers, or accountants! It is my hope that after being in my class, you see that English language arts touches all facets of our lives and imparts you with skills you will use the rest of your life.

### WEEKLY HOMEWORK ASSIGNMENTS

- 5 Reading Plus Lessons (See-Readers) Due Every Sunday by 11:59 PM
- Reading Response Journal Due Every Friday at 8:30 AM
- Vocabulary is assigned Monday and due on Wednesday.  
Open HW Quiz on Wednesday!

### HOMEWORK POLICY

All homework assigned should be fully completed according to the directions. If an assignment is turned in incomplete or without substantial effort, then the assignment will count as a zero. Most homework assignments are eligible for make-ups, as long as they are not a take home quiz/test or a classwork assignment.

### LATE WORK POLICY

If students do not complete their assignments on time as expected you have an option to complete a **"Re-Do Request"**. This form allows students to submit a request to complete an assignment (homework/ classwork). If approved by the teacher, the request will be signed & returned to student with an expiration for the assignment to be completed by. Otherwise, missing homework assignments or classwork will count as 50s (F) in the gradebook. No exceptions.

### ABSENT POLICY

If you are absent you are responsible for all missed work. Please see me for missed assignments and further instructions if you are absent. Be sure to check our Google Classroom for any work and turning in work within 24 hours of your return unless otherwise stated.
