Earth Day at Orange High School

On April 22, Orange High School celebrated Earth Day with its annual “Making Orange Green” event, made possible through a grant from the New Jersey Education Association (NJEA) PRIDE. The event involved over 50 Orange High School (OHS) seniors (***pictured above***) who helped to beautify the school grounds by weeding, planting flowers and laying mulch at the main entrance of the building. Ms. Linda Siddiq, Structured Learning Experience Coordinator at OHS, (who assists students in volunteer/community serve efforts, among other activities) facilitated the event, providing students with necessary tools (gloves, shovels, fertilizer, etc.) and inspiration.

Pictured: Scenes from the OHS Earth Day event.

The event was supported by the school's administration, Co-Principal, Dr. Kalisha Morgan, who was present to congratulate and praise the students for their hard work and dedication, along with Co-Principal Mr. Jason Belton and the district's Superintendent, Mr. Ronald C. Lee. The effort involved student volunteers and staff doing something "green" in celebration of the day. The event culminated with lunch for the participants. They truly enjoyed "getting their hands dirty."

The event was featured on News 12's *Spotlight New Jersey* on April 26, (**pictured above**) and can be viewed on the news anchor's, (Della Crews) Facebook page (<https://www.facebook.com/dellacrews/>).

10th Congressional Art Competition

All students who participate receive certificates and prizes. The overall grand-prize winner will have his or her artwork displayed in the United States Capitol Building for an entire year. Later, he or she will travel to Washington, D.C. to participate in a ceremony with other winners from around the country.

Show your support for the participating students by attending the Monday, May 2 event!

Wow, That's Engineering at NJIT

Barry R. Devone III, MPA, Community School Coordinator, Rosa Parks Community School

On April 1, fifty 6th and 7th grade female students from the Orange School District attended a field trip to the New Jersey Institute of Technology (NJIT) hosted by the Society Of Women Engineers (SWE). The theme of the day was *Wow, That's Engineering*. Students from the following schools participated in the program: Rosa Parks Community School, Oakwood Avenue Community School,

Cleveland Street School, Forest Street School and Orange Preparatory Academy. The day was filled with fun, hands-on sessions related to engineering and science.

The students were engaged in the following activities:

1. Balloon Powered Car (Discussion of Newton's third law of motion "for every action there is an equal and opposite reaction")
2. Count the Dots (Focused on the binary code and how computers communicate)
3. Un-poppable Balloon (Lesson on Molecules)

Rosa Parks School Counselor, Natasha Murphy, coordinated the initiative for the district in collaboration with staff from Oakwood Avenue and Cleveland St. Exxon Mobil provided funding for the event, which included lunch for all participants.

Learn Bridge in a Day at Park Avenue School

Submitted by Dr. Denise Harlem, Technology Coordinator/Bridge Club Advisor, Park Avenue School

Park Avenue School hosted a Learn Bridge in a Day™ class on Saturday, April 23. Over 40 participants attended the class (including some of Park's teachers and Dr. Hackett), plus the adult helpers and Park's Bridge Team. The library was abuzz with well over 60 people all engaged in the game of bridge.

Instructor Patty Tucker from Atlanta, Georgia, taught the group the basics of bridge, which was enough to get the group started in playing their own hands, including bidding and scoring. They learned about play of the hand and strategy, as well.

A delicious breakfast and lunch were served and there was a raffle for lovely gift baskets that were donated. The winners were thrilled!

This fundraising event will help Park Avenue's Bridge Team pay for their trip to the National Youth Bridge Competition in Washington, DC in July.

The event was so successful that many people want to come back next year to learn more and bring friends.

Park Avenue's Bridge Team would like to give a special thanks to Barbara Clark, the Orange Education Foundation, and Shrine Bridge Center for their help and support with this fundraiser.

WHAAAAAAAT, Did OACS Win the Championship Basketball Game Again?

Submitted by Mr. Robert Pettit, Principal Oakwood Avenue Community School (OACS)

A crowd of over 200 people watched OACS's 4th and 5th grade *Soaring Eagles* basketball team capture their 2nd consecutive Championship, with a victory over Rosa Parks Community School, by a score of 21-19.

It was a close game for most of the afternoon, and it got even more thrilling when Rosa Parks made a late game-scoring surge in the closing minutes, but it was still not enough. Strong efforts by Curtis Crawford and Jordan Jones kept Rosa Parks at bay.

Additionally, great play on both ends of the court by Gregory Burton, Tyshaun Boyd, Xavier Gomez, Tyzir Walker, Ajuwan Tiggs, Terry Copeland, Keshawn Nowin and Amari Williams helped OACS win the game.

Pictured: OACS Soaring Eagles Basketball Team with the Honorable Mayor Warren, Councilmembers, city officials and Principal Pettit.

Next year several starters will be returning and OACS will be looking to "Three-Pete," but for now lets all celebrate this victory and second championship. Congratulations to the 4th and 5th grade *Soaring Eagles Basketball Team* of Oakwood Avenue Community School!

April Board of Education Meeting

Orange Preparatory Academy hosted the Board of Education meeting on April 19. After a moment of silence, directed by Superintendent of Schools, Mr. Ronald C.

Lee, for the tragic loss of a student and a member of the maintenance organization, Co-Principal Mrs. Aretha Malloy opened the meeting, introducing student Andrew Coates. He led the flag salute and presented a video produced by students at Orange Prep, entitled *A Brand New Day*. Opening like a *Star Wars* movie, the video detailed the *Hour of Code* activity at the Prep, which allowed the students to master and demonstrate their coding skills.

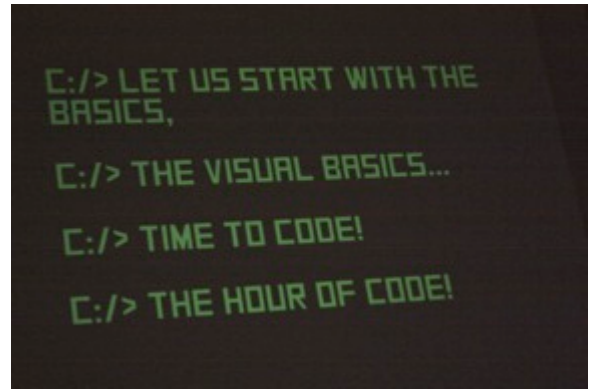

After the video, Andrew introduced the Orange Prep dancers, directed by Mr. Alonzo Hall, dance instructor. They performed gracefully, with enthusiastic applause from the audience.

Superintendent's Report

Superintendent Lee gave an overview of district activities and reported the results of the Board of School Estimates approval for the 2016-2017 budget, during the public meeting on March 28. The issue of gross underfunding from the state was highlighted; as an outcome of the meeting, three sub-committees have been formed resulting from an initiative organized by the Honorable Mayor Dwayne D. Warren, Esq. Follow up activities, to mobilize the community and appeal to State legislators are planned.

Student of the Month

Superintendent Ronald C. Lee and Board of Education President, Ms. Cristina Mateo, presented students with certificates for being selected Student of the Month (SOTM). On a monthly basis, students are recognized for exemplary behavior, academics and citizenship by their school.
