Get Ready to *Pink-Out* in Orange

The *Pink Out Game* for Breast Cancer Awareness Month

For seven consecutive years, the Orange Public Schools have supported National Breast Cancer Awareness Month with the annual Pink Out Game scheduled for Saturday **October 24, 2015**. The Orange Tornadoes will play the Cedar Grove Panthers at 1:00 p.m. at Bell Stadium.

The Orange Public School District, led by the Orange Athletic Department, has made an extraordinary effort to take a stand against breast cancer through the sale of Breast Cancer Awareness T-shirts.

This year, the Orange community is again invited to join in this worthy cause and purchase a T-shirt, for sale at the main office in each school within the district, for a minimum donation of **\$15**. All those purchasing a T-shirt and wearing it to the *Pink Out* game will receive free admission to the event. This donation, as well as all proceeds from the game, will go directly to the **American Cancer Society** during half time.

“Please join the athletic department in our effort to build a stronger community; for each dollar raised is a potential life saved. Thank you!” - Mohammed "Mo" Abdelaziz, Assistant Principal, Athletics

Additionally, there will be two district wide dress down days: Friday, October 16 and Friday, October 23, to benefit the American Cancer Society.

World Smile Day

On October 2, Orange Preparatory Academy celebrated *World Smile Day* with its *3rd annual World Smile Day* event. The entire school participated, including special guests, Superintendent Ronald C. Lee and the Honorable Mayor Dwayne D. Warren, Esq.

Organized by Mrs. Malika Berry, School Social Worker, Smile Day proved successful, with teachers and other staff handing out stickers to students exhibiting acts of kindness and exchanging pleasant smiles. Students, in turn gave their stickers to others who responded in kind. See below for two collages of *Smile Day* at Orange Preparatory Academy.

Orange High School Back-to-School Night

Families were greeted in the cafeteria at Orange High School on September 30 for Back-to-School Night. Co-Principal Dr. Kalisha Morgan welcomed all and discussed several pressing items, including the start of the school day for students. She made it clear that the school day begins promptly at 8:20 a.m. and all students are expected to be in school, ready for instruction at that time. Co-Principal Jason Belton offered greetings, as well, and encouraged students to perform at their highest levels.

Also introduced were Assistant Principals, Mohammed Abdelaziz, Stefanie Matthews and Carrie Halstead and Ms. Tia Burnet, Supervisor of Testing. Ms. Burnett gave an overview of the new high school graduation requirements. Beginning with the Class of 2016, the *High School Proficiency Assessment* (HSPA) will no longer be a requirement for graduation in New Jersey. Instead, all 9th, 10th, and 11th grade students will take the *Partnership for Assessment of Readiness for College and Careers* (PARCC) English Language Arts and Algebra I, II, and/or Geometry. Students may also choose to use a college admissions test to get their diploma. They will have to score 400 out of a possible 800 on each of the SAT math and reading sections, or 16 out of a possible 36 on the ACT exam. The following table details the requirements. Parents received a copy, in a letter dated September 9, 2015, from the NJ Commissioner of Education, Davis Hesper.

Additionally, Ms. Burnett alerted families about registering to the SAT and/or ACT exams and the required forms of identification when taking the tests. She also stated that all 9th - 11th grade students will be taking the PSAT exam on Wednesday, October 14.

After remarks, parents were directed to follow their child's schedule for visiting each classroom. Schedules were available from Guidance Counselors stationed in the lobby. Along with the Guidance Department, Parent Academy and PTSO members were present to recruit and register interested parents.

Additionally, representatives of the *Rutgers Trio Talent Search* program were stationed in the cafeteria to hand out information to interested families. Rutgers Trio supports students with academic, career and financial counseling, to encourage them to pursue postsecondary education. Further, families were treated to refreshments made by the OHS Culinary Club members, directed by Ms. Nazi Badruddin, Home Economics teacher.

Rosa Parks Community School Induction Ceremony

In an Induction Ceremony on October 6, 2015, twenty-eight students, in grades 2 through 7, were installed as members of Rosa Parks Community School's Safety Patrol. Security guard, Ms. Denise Parrish, and third grade teacher, Mrs. Ashley Taylor, guided the students through a selection process, which involved teacher recommendations and parental approval, to become members of the squad. Four participants were chosen to be team leaders, two Captains and two Lieutenants: Nick Alvarenga, James Louis, Kiana Clossaint and Starrell Hearn, respectively.

Principal Ms. Debra Joseph Charles (***pictured left***) gave opening remarks to students and guests gathered in the gymnasium. She commended Ms. Parrish, and Mrs. Taylor for proposing the Safety Patrol to monitor the school's hallways and for taking charge of the initiative. Superintendent Ronald C. Lee was present for the ceremony, assisting the advisors in handing out security badges. They explained the purpose of the patrol to the students attending the ceremony, and asked that they respect the patrol members who have their safety in mind when giving directions.

Members of the Board of Education Administrative team, Dr. Paula Howard, Deputy Superintendent, Dr. Terri Russo, Director of Curriculum, Instruction, Professional Development, and Data Assessment, Mrs. Shelly Harper, Director of Special Services, and Mrs. Belinda Scott Smiley, Administrative Assistant to the Superintendent for Operations and Human Resources were present for the induction.

Student Council Elections at Heywood Avenue School

Submitted by Ms. Faith Alcantara, Principal, Heywood Avenue School

Heywood Avenue School held its Annual Student Council Elections on October 2. But, before the Middle School students got the chance to place their ballots, the candidates worked hard campaigning for two weeks. These candidates made eye-catching posters and banners, and hung them all over the school. They passed out flyers with catchy slogans such as, "I may be a ROOKIE, but I'm one smart COOKIE!" Then, on Wednesday Sept. 30, Heywood hosted its First Campaign Fair. The candidates set up tables in the lunchroom decorated with banners, posters, flyers, matching tablecloths and balloons. Not only that, but each candidate handed out items such as sweet treats and personalized pencils.

The Middle School students were able to visit each table, to learn a little bit more about each candidate. Finally, no Election Day would be complete without speeches, so candidates pre-recorded their speeches using iPads. The videos were viewed in the auditorium during the Middle School Convocation, and the students went back to their classrooms to vote using Google Forms.

Orange Preparatory Academy Week of Respect

Submitted by Mrs. Malika Berry, Orange Preparatory Academy, School Social Worker

Representatives of the Juvenile Justice Commission were guest speakers at a special assembly for Orange Preparatory Academy students during the Week of Respect (October 5 - 9). They spoke to all of the students on the importance of making positive choices, becoming resilient, choosing the right friends, attending school, connecting with their parents and what the consequences could be if they made negative choices and surrounded themselves with negative influences. The representatives also presented a video of teenagers talking about their negative choices and how they ended up in juvenile detention. This was followed by discussions on "choosing real friends" and taking opportunities seriously.

Back-to-School Night at Oakwood Avenue Community School

Submitted by Mr. Robert Pettit, Principal, Oakwood Avenue Community School

On September 17, 2015, Oakwood Avenue School hosted its Back-to-School night. At the event, **two hundred three parents** had a chance to meet and hear from all staff

members, including those from the Health Clinic (**pictured left**). Mr. Pettit reminded parents of the importance of their input as it relates to making

school-wide decisions and requested that all parents go to the computer labs to complete the parent survey. Once they completed it, they received a raffle ticket and were directed to their child's class. All parents received syllabuses outlining what their children will be learning throughout the school year.

In an effort to foster a love for reading and to promote the District's Readers Workshop Curriculum, free books were made available for all students, parents and families. To culminate the evening's events, four book bags filled with school supplies (donated by the St. Matthew A.M.E. Church) were raffled off to parents who completed the survey. Overall it was an extremely successful, rewarding and informative evening for everyone involved.

Oakwood Avenue Community School Places at the Chicago Youth Bridge National Tournament.

Submitted by Pamela Venable, School Counselor and Bridge Club Advisor, Oakwood Avenue Community School

This past summer marked the third year that Oakwood Avenue Community School participated in the Youth Bridge National Tournament. Ten students traveled with the Oakwood Avenue Bridge Club and two students earned Junior Masters Status, Anayah Muldrow and Reginald Smith. Both of these students qualified to attend the Nationals for the past three years. Anayah, who has been a member of the club since 4th grade, is a current 9th grade student at "The Prep." Reginald Smith, a member since 5th grade, is an 8th grader at "The Prep."

Congratulations to all of *Bridge Team Orange*! Oakwood placed in the top 5. Two of Park Avenue's members earned 1st place overall, while team Oakwood earned second and third place over more than 200 participants! Nayelis Fernandez and her partner L' Nai Bryant, earned 3rd place North/South, Reginald Smith and his partner Anayah Muldrow, earned East/West 2nd place and Jeremy Smallwood and his partner, earned 2nd place North/South.

There was plenty to do in Chicago. The team toured the "Windy City" and learned a great deal about its heritage. The students learned that Jean Baptiste DuSable, a Black pioneer from Haiti, founded the settlement of Chicago. Double decker bus tours, cruising along the harbor and walking the *Magnificent Mile* provided life lessons as well as lasting memories for the students. There was also time to visit some local colleges. One in particular was Columbia College. Art and design captured the interest of many of the students.

Students won't forget the many new friendships, the fireworks, Lake Michigan, the Chicago Pizza or the famous Hotdog Restaurants. The Oakwood Bridge team extends a special thank you to Mr. Ronald C. Lee, Superintendent of Schools, Dr. Paul Howard, Mr. Robert Pettit, Ms. Barbara Clark, Coach Vicki and all Oakwood family and friends who made a contribution to ensure that the team had a wonderful experience in Chicago.

Oakwood extends an invitation to Mr. Lee, and all who are interested in learning how to play, to join Oakwood's Bridge Program. The team currently meets at 7:30 a.m. on Friday mornings and there are plans to expand the program to accommodate those students who wish to continue participating at Oakwood Avenue Community School after 7th grade.

The Honorable Mayor Dwayne D. Warren of Orange Township Presented the Mayor of Eaglewood Township (Oakwood Avenue Community School) with a Proclamation

Submitted by Pamela Venable, School Counselor and Bridge Club Advisor, Oakwood Avenue Community School

Oakwood Avenue Community School's MicroSociety has been named Eaglewood Township and its Mayor, 7th grader, Nayelis Ferandez, was selected to receive a proclamation for her academic, social and exemplary citizenship attributes. Mayor Dwayne Warren and members of his team at City Hall came to celebrate Nayelis. Nayelis is an honor roll student and she holds the highest grade point average amongst her peer. She has been a member of the bridge club since 4th grade and has represented the Orange School District in Atlanta, GA, Las Vegas, NA and Chicago, IL. At the Youth Bridge National Tournaments. During the school year Nayelis has volunteered to teach 3rd and 4th graders how to play bridge and we hope that she continues to volunteer at Oakwood as well as in her community. There are other activities that Nayelis has been involved in. She has been a member of the Oakwood Step Team as well as the Cheer Leaders. She we elected as the Mayor of Eaglewood Township by her peers and even though she is transitioning to Orange Prep she plans to return to Oakwood and volunteer. Congratulations on a job well done!
