

FALL READING SKILLS PROGRAMS **Skills to Succeed for Every Grade!**

We are excited to announce our [Fall Reading Skills Programs](#). These online programs help kids grow into stronger students who love reading.

In this program, your child will:

- *Build the right skills for his or her grade in school*
- *Enjoy reading wonderful, age-appropriate books*
- *Participate in dynamic, meaningful discussions*
 - *Get the individual support he or she needs*
 - *Develop a lifelong love of reading*

Our programs will help your child succeed in school this year. No matter your child's grade, he or she will complete schoolwork more quickly and easily, get a big boost in confidence, and enjoy reading more!

Programs are offered through the Rutgers University Division of Continuing Studies, a non-profit organization. Classes are taught by instructors from the Institute of Reading Development.

Every fall program includes eight weekly small-group classes led by an exceptional teacher, engaging interactive skills lessons, and carefully selected books.
