

September 2024

Welcome to 7th Grade!! I hope everyone had an enjoyable summer. I am looking forward to a great year in Math. We will be using Google Classroom to access materials and some assignments. Codes will be posted in the classroom and on class dojo.

Class Dojo will be the tool used for communication. Please make sure to accept the invitation to Class Dojo or join through the class code on my website.

Since attendance and appropriate behavior at school are crucial to the learning process, it is imperative that your child attends school every day. During the first week of school, I will be working together with my students to develop a set of classroom rules, rewards and consequences. Instruction begins promptly at 8:30 each day; students should arrive prior to that time. Breakfast will be provided at school during homeroom from 8:20-8:28.. If an absence or tardy is unavoidable, your child will have the opportunity to complete their missed assignments.

Students should be dressed in proper school uniform every day. The uniform consists of khaki pants with a white collared shirt. On Physical Education days students should wear navy blue or grey sweatpants and shirt.

### **Grading procedures**

Students will be graded on a variety of things. The grading procedures are provided by the district and the breakdown will be

25% tests

20% quizzes

20% class work, class participation, digital usage

25% authentic assessments

10% homework
