

Orange Township Public Schools
Oakwood Avenue Community School
Mr. Dana Gaines, Principal

Gerald Fitzhugh, II, Ed.D.
Superintendent of Schools

May 24, 2022

Good Day Parents, Guardians, and Caregivers of Oakwood Avenue Community School,

I write you today with a reminder of the student drop off and pick up protocols that were enacted in November 2021. For the safety of students crossing the street and to not disrupt traffic flow on Oakwood Avenue or discourage illegal parking on the housing property next door to the school, Oakwood has made available the parking lot adjacent to the playground (see the picture below) for parking.

We have over 40 spaces in this lot which will allow for easy transition to Oakwood Avenue Community School. As a school community, we must ensure student safety at all times and have to respect our neighbors by not hindering traffic or blocking their parking spaces on their private lot. In closing, I will be outside alongside my team to ensure that this protocol is being followed and to address any questions or concerns. Also, should you have any questions, feel free to email me at gaindana@orange.k12.nj.us.

Educationally yours,

Mr. Dana Gaines

Mr. Dana Gaines
Principal
