

OACS School Leadership Team Meeting

3/15/21 Items & Minutes:

1. Call to Order. Welcome.

2. Data: Cycle 2 Data and PowerPoint:

<https://docs.google.com/presentation/d/1KLzpm39b3YBQ11N13K-BfrUqqUr8RMuLU19T68QkxyM/edit#slide=id.p4>

- Complete Action Steps for each grade band assigned: All SLT Members will complete ELA and Math Action Steps according to their grade level or designated grade span by Friday, March 19.
- As a friendly reminder, Dr. Morrisroe sent out a Calendar Evite for the SLT members for Friday, March 19.
- Review and record trends: As a team we reviewed every slide from the Cycle 2 PowerPoint to analyze trends. We focused on 4-7th Grade Math trends in particular for the student participation rate and proficiency rate.
- We look forward to examining both ELA and Math, K-7th, scores for Cycle 3 data and compare it to Cycle 2 data.
- Smart Goals Review: Met or not Met: For Smart Goals 1 - 3, Oakwood has successfully “met” their expectations.
- The entire SLT Team will meet virtually on Thursday, March 25 at 2:00 pm to construct the 2021-2022 ASP Plan. Everyone will partake in the creation of the ASP plan. Virtual code is forthcoming via Mr. Gaines.

Looking Back:

- 6th and 7th Grade Math trends: Mr. N. will review last year's data to identify student growth and trends across the board. We want to analyze data pre and during virtual learning.

Looking Ahead to Cycle 3 Assessment Administration: We are currently administering Cycle 3

- For Cycle 3, the Middle School Teachers will set up a day and time to meet with parents, Ms. Venable, and Mr. Gaines to discuss the importance of completing tests. This is a result of half the students not partaking in the completion of assessments. Our goal is to increase the participation rate.
