

SLT Meeting

Monday, January 28, 2019

Attendees: Present: White, Lloyd, Francis, Willis, Raphael, Stevenson, Morrisroe, Hou, Venable

I. Ms. White is working on After School budgeting:

Robotics is no longer apart of the 21st Century budget. It now comes out of the school based budget, as the district is requiring that each school has a robotics team.

1. There's a need for debate team.
2. Sonic Explorations
3. Girls That Code
4. Boys/Girls Mentoring
5. Open Lab

II. Literacy Night:

- **03/07/2019**
- **5pm-7pm**
- **Pre-K-7**

Goal:

To instill the love of reading and writing in the children.

“Drop Everything And Read”

- Families will come in their pajamas and they will receive a tote that includes: books, games, etc.
- Families were provided with snacks
- Each station reflects a different book.
- Game Station
- Scrabble, Boggle, Jeopardy, Spelling Connect 4
- There could be a raffle for a signed poster from Nickelodeon.
- The older kids will be included by doing the following:
 - Having a “publishing party” station
 - Have the parents be able to listen to their children’s stories and others.
 - Have a poetry contest, where you give them 10 mins to write a poem.

III. Retention Letter:

- A. Change the school year.
- B. Add that parent support/participating is essential.

IV. Attendance Updates:

- A. 23 letters went home to students requesting a meeting to discuss attendance.
- B. Ms. Stevenson stated that K and 4th grade are having trouble with their attendance and is working on incentives to help with attendance.

V. 2018-2019 At-A-Glance ASP Cycle Review:

A. 5 of Ms. Hunt's student have met their goal, and one has regressed.

B. Illustrated Math has been a struggle with her class (Mrs. Raphael)

C. Goal #1:

1. 6th and 7th grade (possibly 5th grade), took their test, however it's not going to be included in the report for SRI

2. Current 5th graders are with Ms. Morrisroe, most are doing well, however 1 student went down almost 100 points.

3. 7 students in 5th grade have already met or exceeded their goal.

4. K-5, has met the goal.

D. Goal #2:

1. Teachers are still working towards their Math goals.

2. It's probably best to go class by class, or band by band when reporting data.
