

## Homework Assignments

### Week of March 7th

Homework is given out every night and will be checked for completion each morning. Students will receive a homework grade by the end of the week for completion!

**Students are expected to read independently each night for 30 minutes.** If you do not have a notebook for your child please let me know and I will provide one!

Use the words below to complete the activities on your High Frequency and Vocabulary Words chart.

#### JUICY WORDS OF THE WEEK

These are words that will increase the student's vocabulary. They appear in the story we are reading in class this week. Please, help your child repeat and learn these words. They are expected to use them in their writing task at the end of the week

1. Mature
2. Wise
3. Trapping

Math: Students all have a math workbook where they complete their classwork and homework. The book will be sent home each night and expected to be brought back the next day so that students can complete their classwork.

This week in math students will be completing a math assessment. For homework, students can use their math books to review any page for extra practice. This math assessment will be on addition and subtraction within 1,000 and word problems!
