

Homework Assignments

Week of September 7th

Good Morning Second Grade parents! On this sheet I will explain what we are doing during the week and will put all homework assignments. Homework is given out every night and will be checked for completion each morning. Students will receive a homework grade by the end of the week for completion!

Students will be given an activity sheet and will have to choose three activities to complete each night using the words below. Activities should be done in a homework notebook. **Students are expected to read independently each night for 30 minutes.** If you do not have a notebook for your child please let me know and I will provide one!

There will be words listed on this sheet to complete the activities on your High Frequency and Vocabulary Words chart.

WORDS TO KNOW

JUICY WORDS OF THE WEEK

These are words that will increase the student's vocabulary. They appear in the story we are reading in class this week. Please, help your child repeat and learn these words. They are expected to use them in their writing task at the end of the week

Math: Students all have a math workbook where they complete their classwork and homework. The book will be sent home each night and expected to be brought back the next day so that students can complete their classwork.

Friday-Saturday: I will give either a science or social studies homework to complete over the weekend. Students should also continue to work on iRead and iReady!

This week students are expected to

- ❖ Go on iRead and iReady each night
- ❖ Read independently for 30 minutes and discuss what you read with someone at home
- ❖ Bring back all completed and signed paperwork
- ❖ Bring in all school supplies
