- **We are well on our way....More to come!**

ORANGE PUBLIC SCHOOLS EXPANDS PARTICIPATION IN VERIZON INNOVATIVE LEARNING, BRINGING GREATER DIGITAL ACCESS AND INNOVATION TO LOCAL STUDENTS

Orange Public Schools Expands Participation in Verizon Innovative Learning, Bringing Greater Digital Access and Innovation to Local Students

Orange, NJ – Orange Public Schools is proud to announce the expansion of its partnership with Verizon Innovative Learning, Verizon's award-winning education initiative dedicated to bridging the digital divide. In collaboration with Digital Promise, Cleveland Street School and Rosa Parks Community School have been selected to join the latest cohort of Verizon Innovative Learning Schools (VILS), reinforcing the district's mission to provide students with equitable access to cutting-edge technology and future-ready learning experiences.

As part of this initiative, every student and teacher at both schools will receive a free device equipped with a Verizon data plan, ensuring 24/7 internet connectivity to enhance learning inside and outside the classroom. Additionally, each school will benefit from a dedicated technology coach and ongoing professional development, empowering educators to integrate digital resources effectively and create dynamic, engaging learning environments.

"Access to technology is access to opportunity," said Dr. Gerald Fitzhugh, II, Superintendent of Orange Public Schools. "By expanding our participation in Verizon Innovative Learning Schools, we are ensuring our students gain the digital tools and skills they need to thrive in an increasingly technology-driven world. This partnership underscores our unwavering commitment to innovation, equity, and student success."

With the addition of Cleveland Street School and Rosa Parks Community School, Orange Public Schools now has five schools benefiting from Verizon Innovative Learning, further solidifying the district's leadership in digital inclusion and academic innovation.

Verizon's commitment to digital equity is backed by over \$1 billion in market value, providing free technology, internet access, and immersive STEM learning experiences to over 8.5 million students nationwide. Research from Digital Promise shows that 80% of teachers in participating schools report increased confidence in leveraging technology for instruction, while 80% of students experience heightened engagement in their learning.

About Verizon Innovative Learning

Verizon Innovative Learning, Verizon's award-winning education initiative, has spent over a decade tackling barriers to digital inclusion and ensuring that students in under-resourced communities have access to the tools they need to succeed. Since 2012, the program has equipped students with technology, connectivity, and emerging tech-infused learning experiences, preparing them to be the leaders of tomorrow.

About Orange Public Schools

Orange Public Schools is committed to providing transformative educational opportunities that prepare every student for college, career, and life in a rapidly evolving world. Through dynamic partnerships, cutting-edge resources, and a dedication to innovation, Orange Public Schools is building pathways for student success.

Kindergarten Measures (Year Overview)

The screenshot displays the 'acadience learning online' interface for 'K-6 Assessments'. At the top, a navigation bar includes the logo and a series of numbered tabs (1-6), with 'K' (Kindergarten) selected. Below this, three main assessment categories are presented: 'Beginning of Year', 'Middle of Year', and 'End of Year'. Each category contains a list of assessment forms for Kindergarten (K). The 'Beginning of Year' section lists 'PSF Form: 1' and 'LNF Form: 1'. The 'Middle of Year' section lists 'PSF Form: 2', 'LNF Form: 2', 'PSF Form: 2', and 'NWF Form: 2'. The 'End of Year' section lists 'LNF Form: 3', 'PSF Form: 3', and 'NWF Form: 3'. Each form entry is displayed in a purple button-like format with a small icon to the left of the text.

School Security Drill Guide & Bus Evacuation Requirement

Gerald Fitzhugh, II, Ed.D.
Superintendent of Schools
“The Teaching Superintendent”
March 12, 2025

Bus Evacuation Requirement

- Administrators, or a person assigned to act in a supervisory capacity, in each school of attendance shall organize and conduct emergency exit drills on school property at least twice within each school year for all students who are transported to and from school. Drills shall include instruction for the proper use and adjustment of seatbelts.
- **1.** All other students shall receive school bus evacuation instruction at least once within each school year.

Bus Evacuation Requirement

- **(b)** School bus drivers and bus aides shall participate in the emergency exit drills.**(c)** Drills shall be documented in the minutes of the first district board of education meeting following the completion of each emergency exit drill. The minutes shall include, but shall not be limited to, the following: **1.** The date of the drill; **2.** The time the drill was conducted;**3 .** The school name;**4.** The location of the drill; **5.** The route number(s) included in the drill; and **6.** The name of the school principal or assigned person(s) who supervised the drill.

Definitions

- **School Security Drill:** An exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, or active shooter situation and that is similar in duration to a fire drill.
- **Tabletop Activity:** This activity involves key personnel discussing simulated scenarios in an informal setting. Tabletops can be used to assess plans, policies, and procedures
- **Full Scale Exercise:** This is a multi-agency, multi-jurisdictional activity involving actual deployment of resources in a coordinated response as if a real incident had occurred. This exercise tests many components of one or more capabilities within emergency response and recovery, and is typically used to assess plans, procedures and coordinated response under crisis conditions.

Drills (Fire, School Security Drills 18A: 41-1)

- Every principal of a school of two or more rooms, or of a school of one room, when located above the first story of a building, shall have at least one fire drill and one school security drill each month within the school hours, including any summer months during which the school is open for instructional programs, and shall require all teachers of all schools, whether occupying buildings of one or more stories, to keep all doors and exits of their respective rooms and buildings unlocked during the school hours, except during an emergency lockdown or an emergency lockdown drill. Where school buildings have been provided with fire escapes, they shall be used by a part or all of the pupils performing every fire drill.
- Schools are required to conduct a school security drill within the first 15 days of the beginning of the school year

Schools are required to hold a minimum of two of each of the following security drills annually

- Active shooter
- Evacuation (non- fire)
- Bomb threat
- Lockdown.

Examples of other types of Security Drills

- Shelter-in-place
- Reverse evacuation
- Evacuation to relocation site
- Testing of school's notification system and procedures
- Testing of school's communication system and procedures
- Tabletop exercise
- Full scale exercise

Additional Information

- Initiation Fire alarm systems shall be initiated only during a fire drill evacuation.
- Unplanned incident Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.
- Notification Schools will provide emergency responders with a friendly notification at least 48 hours prior to holding a security drill. Emergency responders are not required to observe security drills, however, it is encouraged that schools invite emergency responders to attend and observe at least four different security drills annually.

Additional Information

- Record Keeping Districts are required to annually submit the “Security Drill Statement of Assurance” provided by the Department of Education to their county office of education by June 30 of each year. The county office shall forward an information copy to the respective county prosecutor's office. Nonpublic schools are required to annually submit the “Security Drill Statement of Assurance” provided by the Department of Education to the respective county prosecutor's office by June 30 of each year.

Additional Information

- The “Security Drill Record Form” provided by the Department of Education shall be completed by all schools, public and nonpublic. Public schools shall retain the “Security Drill Record 3 Forms” at the district level and the administrators of nonpublic schools shall retain the “Security Drill Record Forms.” The following information is required:
- Date and time
- Type (specify what was drilled)
- Duration; Weather conditions
- Participants (i.e. students, staff, faculty, law enforcement, fire)
- Brief description of what occurred and procedures followed

Training

- Provision of training on school safety, security 18A:41-7 A local board of education and chief school administrator of a nonpublic school shall ensure that all full-time teaching staff members in the district or nonpublic school are provided with training on school safety and security that includes instruction on school security drills. The training shall use the drill guide and training materials prepared pursuant to section 3 of P.L.2009, c.178 (C.App.A:9-86). Each teaching staff member shall be provided with the training within one year of the effective date of this act or within 60 days of the commencement of that staff member's employment, whichever date is later.

Training

- Development, dissemination of building security drill guide, training materials
App.A:9-86.3(a) The Director of the Office of Homeland Security and Preparedness shall, in consultation with the Commissioner of Education, the Director of the Division of Fire Safety in the Department of Community Affairs, the Director of the State Office of Emergency Management in the Division of State Police in the Department of Law and Public Safety, and the Attorney General, develop and disseminate to each school district and nonpublic school a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds including, but not limited to, bomb threats and active shooter situations.

Training

- Employee training on school safety and security plans 6A:16-5.1(d) The district board of education shall develop and provide an in-service training program for all district board of education employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crises, consistent with the district board of education's plans, procedures and mechanisms for school safety and security and the provisions of this section.
- 1. New district board of education employees shall receive the in-service training within 60 days of the effective date of their employment
- 2. The in-service training program for all district board of education employees shall be reviewed annually and updated as appropriate.

Facilities Committee Meeting

Presented By: Mr. Edwin Vasquez

Manager of facilities and grounds

March 12, 2025

District Facility Maintenance & Custodial Services Updates

Thorough cleaning and disinfecting occurs daily for all of our touch points in the building (examples include but are not limited to door handles, bathrooms, entrances, exits, and handrails)

Walk-throughs of all district school facilities

Meetings between the District and PCI are held regularly based on updates related to COVID-19 mandates and expectations

Facility projects continue so we can ensure a safe and clean learning environment for our children and staff.

Facilities Department Update

- In February , the facilities team actively continued to tackled potential heating and plumbing challenges to maintain our high standards of operation. We effectively prepared for snow removal and established a strong partnership with the contractors building the greenhouse. This proactive approach positions us to enhance our facilities and deliver exceptional service to the staff and students

Facilities Department Update

- The following slides will present an overview of the work we have been conducting over the past month.

Facilities Department Update

We are addressing issues with the steam pipes and valves due to their age and broken components.

Facilities Department Update

- We are addressing issues with the steam pipes and valves due to their age and broken components.

Facilities

Department Update

- We also address issues reported through our work order system. Repaired/replaced a leaking faucet.

Facilities Department Update

We successfully repaired a steam pipe that had ruptured within the wall.

Facilities Department Update

- We are thrilled to announce that we are significantly improving the Forest Annex. We began the week of February 17, 2025; we will start painting the building to enhance its appearance and give it a vibrant, refreshed look. The upcoming slides will proudly showcase the impressive work that has been accomplished.

Forest Annex

In the Month of March 2025

- The team and I, under the direction of Mr. Ballard, will continue to meet with the Schools Development Authority and Terminal Construction to make sure that there is progress related to the Construction at the Orange High School Punch-list items and the Cleveland Street School Project.

Reminder from the Office of Facilities

We will continue to update the community, staff, and Board of Education members of all progress.

The health and safety of staff and students are at the apex of all facilities undertakings.
