Language for the NJQSAC Evaluation Results

The Orange School District Received their New Jersey Quality Single Accountability Continuum Review Results

Pursuant to the requirements of N.J.A.C. 6A:30, the Orange Board of Education School District (District) has undergone the New Jersey Quality Single Accountability Continuum (NJQSAC) review. The Essex County Executive Superintendent and team conducted a review of the District's self-assessment on the district performance review (DPR) to verify the District's compliance with the five areas of NJQSAC: Instruction and Program, Fiscal Management, Governance, Operations and Personnel. Based on the review, the school district has been placed on the continuum of NJQSAC with the following placement scores for each area:

NJQSAC Results October 2023

NJQSAC Compliance Areas	Score (October 2023)
Instruction and Program	81%
Fiscal Management 92%	92%
Governance 95%	95%
Operations 97%	97%
Personnel 97%	97%

These placement results will be presented to the State Board of Education at an upcoming meeting. Per the Assistant Commissioner of Education within the Division of Field Support and Serviced Department, Dr. Christopher Irving, he shared the following: I am pleased to inform you that your district has satisfied at least 80% of the weighted indicators in each of the five areas of the NJQSAC review process and has been designated as "high performing." The Commissioner will recommend to the State Board of Education that your district be certified as providing a thorough and efficient system of education, for a period of three years or until the next NJQSAC review. Congratulations on this accomplishment.

Thank you to our fantastic teams at the schools as well as Central Office for working in tandem to ensure that we continued to have each area over 80%. The last evaluation presented out in June 2020 indicated the same, all five areas of NJQSAC with scores of 80%. The evaluators are experts in their given areas. Again, congratulations to our school district. We are certainly "Moving into Greatness." In the coming days, the DPR with the official letter I received from the New Jersey Department of Education will be placed on the website.

—Dr. Fitzhugh, Superintendent of Schools

Information Regarding the 2023-2024 CEP Household Survey

The Orange Public School District is participating in a federal program available to select schools as part of the National School Lunch Program called the Community Eligibility Provision (CEP). **Our participation means that all students attending the Orange Public Schools are eligible to receive breakfast and lunch at no charge throughout the current school year.**

Yearly, your participation is essential in order for us to provide the Department of Education with the information it needs to ensure our school will continue to receive critical state funding.
