# A Little about me...

- ▶ Hello! This is my first year at Orange High School and I am so excited to work with your families. I have been a counselor for the last five years and have served as an SAT/ACT Coordinator, SSD Coordinator, NCAA Liaison in addition to my role as a counselor. I am available for academic support as well as social/emotional support. I have extensive experience in the use of Naviance as well as assisting in post secondary planning whether you choose to attend a 2 or 4 year college, a trade school, or have any other ideas you would like to pursue.
- ▶ In my spare time I enjoy hiking with my fiancé and our dog, cooking, and once we can resume activities I enjoy attending live music events and comedy shows.

# Counselor Supports
