This month we will continue our Unit of Study: Lights. This second half of the unit will be focused on darkness, shadows, reflections and refractions! Please make sure to read to your child daily, I will be sending more personalized homework for each student. Also make sure to do the homework activities with your child. It is essential for them to continue their learning experiences at home!

F.Y.I.

As the weather gets colder, please make sure you bring your child with appropriate outerwear. They will be going outside every day unless the temperature is below 32 degrees. Also, make sure your child has a full, and warm, set of clothes.
