

What Makes People Revolt?

The Revolution: It's Time to Stand Up!

Rapid Industrialization

- Low wages
- Child Labor
- Grueling working conditions

Living in Poverty

No way way to escape the way you live.

The Revolt in Russia!

- In Russia more than 1,000 were wounded and several hundred were killed.
- Police Brutality

Current Revolt

- Unfair Justice for these people
- Micheal Brown
- Trayvon MArtin
- This unfair judgement lead many people to go on strike and revolt against the city
