

# Orange High School CTE Career and Technical Education

400 Lincoln Avenue, Orange NJ 07050 973-677-4050

## *Career and Technical Education Department*

*Courses offered within Career and Technical Education Department are geared to provide students with the skills, knowledge, and work habits necessary to thrive in the worlds of business, health careers, and multimedia ventures. Students will have the opportunity to explore careers associated within the fields of business and health occupations, as well as benefit from practical, real-world preparation designed to enhance students' marketability and career readiness. Although the focus is primarily on preparation for college or a career in related careers and industries; the skills acquired will also help prepare students for any field they may choose to enter.*

*As a CTE student you have the opportunity to participate in hands-on training in your chosen program and gain real world experience through job shadows and internships.*

*Mr. Gaines, Principal*

*Mr. Belton, Principal*

# Business

Ms. Eileen Ninivaggi, Ms. Tereasa Venable

## Orange High School CTE Career and Technical Education

### **Business Finance**

*Business Finance provides students with an overview of the types of financial information that businesses require in order to be successful. Students focus on economics, capital funding, accounting procedures, and the impact of the global financial market on US businesses.*

### **Business Law**

*Students gain a foundation in legal issues. History of law, procedures surrounding civil and criminal cases, contracts, personal and real property rights are explored. Students also learn about the development of labor laws and their importance in today's society.*

### **International Business Practice Firm**

*The IBPF course is a unique offering to students at OHS. Students enrolled in this course will run a "virtual" business within the classroom.*

*Students engage in business activities with other student run virtual businesses throughout the US and Internationally.*

*Students select to work in different departments of the business; Administration, Accounting/Finance, Sales, Marketing, Human Resources and IT. A formal business structure is formed with a CEO and managers. Students complete their departmental tasks in support of company goals and objectives. Students learn all the functions of real businesses.*

***A foundation in business prepares students to explore professional careers in the following areas:***

*Administrative Assistant  
Finance – Analyst/Advisor  
Marketing  
Accounting  
Human Resources*

*Paralegal  
Sales  
Advertising  
Purchasing  
Design/IT*
