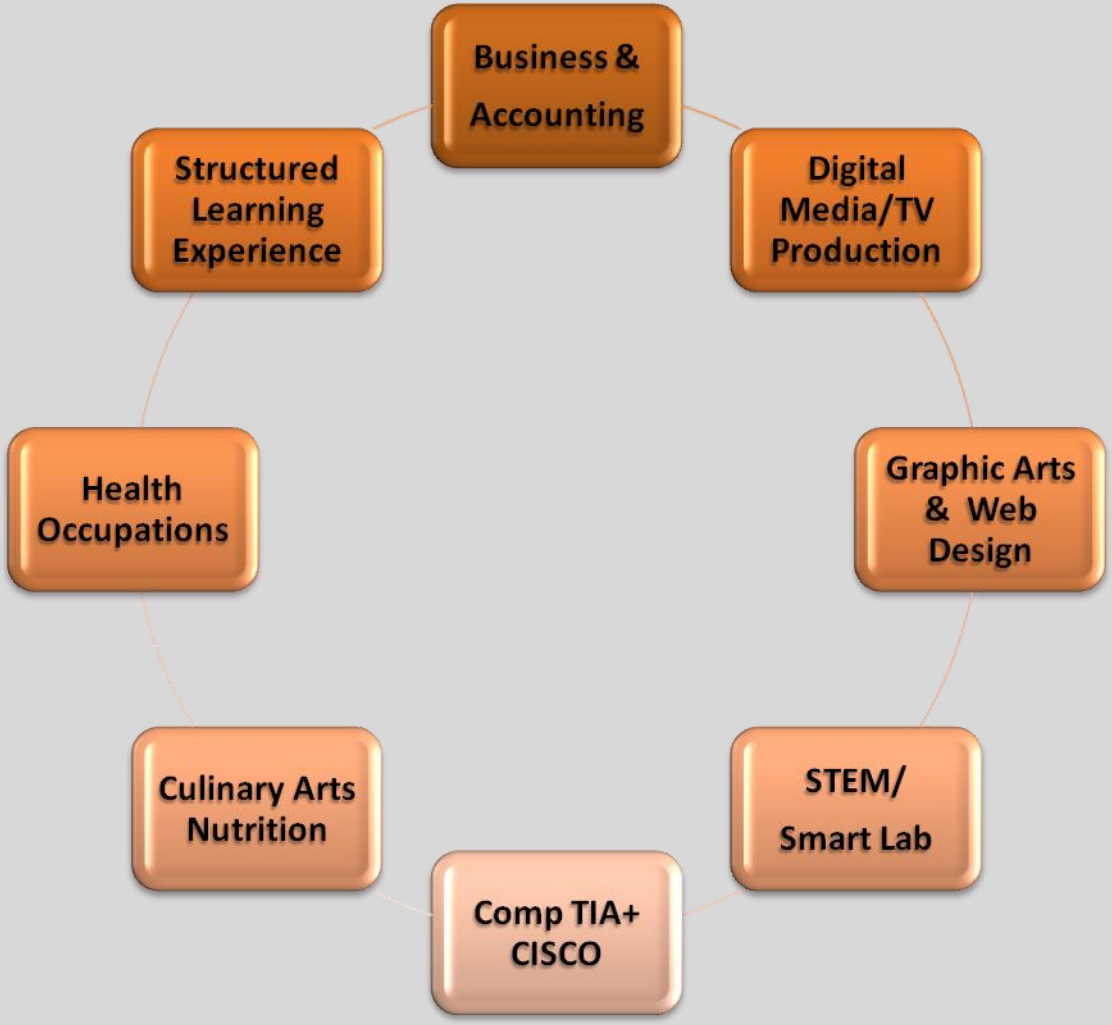
Orange High School CTE

Career and Technical Education

400 Lincoln Avenue, Orange NJ 07050 973-677-4050



Career and Technical Education Department

Courses offered within Career and Technical Education Department are geared to provide students with the skills, knowledge, and work habits necessary to thrive in the worlds of business, health careers, and multimedia ventures. Students will have the opportunity to explore careers associated within the fields of business and health occupations, as well as benefit from practical, real-world preparation designed to enhance students' marketability and career readiness. Although the focus is primarily on preparation for college or a career in related careers and industries; the skills acquired will also help prepare students for any field they may choose to enter.

As a CTE student you have the opportunity to participate in hands-on training in your chosen program and gain real world experience through job shadows and internships.

Mr. Gaines, Principal
