

Orange High School

Summer Credit Recovery Algebra 2

Ms. Nikolaidis

My contact information:

Email: nikolaso@orange.k12.nj.us

Remind code: @nikOHScred (text to 81010)

Google Classroom Code: 24zb346

Parents/Guardians are encouraged to contact me regarding any concerns with your child in my class. You can reach me at my email address or using Remind (text messaging app). I will do my best to return emails within 24 hours and text messages within a few hours.

All work for summer school will be **on paper**; students will be provided with calculators, and phones and computers are not allowed in class. However, I will post notes and/or answers to classwork to Google Classroom for students to review at home.

Course Schedule

Algebra 2 Credit Recovery is a five-week course. There will be 2 tests, 2 quizzes, and one group project graded as an authentic assessment during the course. Because of the quick schedule, attendance is very important. Students should expect to take a test or quiz every week. Please make sure you are bringing your notebook and taking notes every day, I will collect student notebooks at the end of the course, and grade them as an authentic assessment grade.

Course Objectives/Outline:

Topic 4.1 – Arithmetic Sequences

Topic 4.2 – Graphing Cubic functions & identifying key features

Topic 4.3 - Fundamental Theorem of Algebra (quadratic & cubic)

Course Materials:

Student learning packet

Additional worksheets (ALEKS)

Notebook

Pencil or Pen

Grading Policy:

2 Tests: 25%

2 Authentic Assessments: 25%

2 Quizzes: 20%

Class Work: 20%

Homework: 10%

Any day there is not a quiz or test, students will have classwork, which will be collected at the end of class, graded, and returned to students the next day. **Late classwork will not be accepted.**

Homework will always be assigned the day before an assessment and students will always be allowed to use their homework during the test. I will also give time in class before the quiz or test so students can check the answers to their homework and ask questions.

Absence Policy:

In the event of missing class, you are responsible for checking the google classroom and adding the class notes to your notebook.

You do **not** have to make up missing classwork, but you **do** have to make up missing homework, quizzes, and tests within a reasonable amount of time.

Classroom Rules of Conduct:

1. Bring your materials to class everyday: pencil and notebook.
2. Be on time and be prepared to begin as soon as the bell rings.
3. Be considerate of other people's feelings, opinions and thoughts.
4. All cell phones/electronics will be on silent and put away during class. All ear buds will be removed when in in-person instruction.
5. Profane language will not be tolerated in the classroom.
6. Be polite and respectful to any visitors to our class.
7. Students will adhere to all OHS rules and policies.
