For more information about your child’s score, see the attached score report.

Please note that your child may have participated in our Bilingual and/or ESL Programs at one of our district sites (Rosa Parks Community School/Lincoln Avenue School). If this school is not your neighborhood school, your child will return to his/her homeschool in September.

Schools will monitor your child’s progress to ensure that additional support is provided as needed. We commend your child’s attainment of English proficiency and your engagement in your child’s education.
