ORANGE HIGH SCHOOL

Dear Students, Parents, and Guardians:

I hope this letter finds you well and filled with anticipation for the upcoming academic year. As we embark on this new journey together, I am thrilled to extend a warm welcome to each of you on behalf of the entire Orange High School Community.

First and foremost, I want to express my gratitude for the incredible efforts and resilience demonstrated by our students, parents, and staff throughout last several years. Together, we overcame challenges and celebrated achievements that have undoubtedly strengthened our school's spirit and sense of community. As we step into the 2023-24 school year, I am confident that the dedication and commitment of our students, combined with the ongoing support from parents and the expertise of our exceptional teaching staff, will make this year one of growth, discovery, and success.

This academic year brings with it a myriad of opportunities for both academic and personal development. Our commitment to providing a nurturing and inclusive learning environment remains unwavering. We will continue to foster a culture that encourages curiosity, critical thinking, and creativity, preparing our students for the challenges and opportunities that lie ahead. Throughout the school year, we will focus on enhancing communication between the school and our families. Open lines of communication are crucial in ensuring that every student receives the support they need to thrive academically and socially. We encourage parents and guardians to actively engage with our school community, attend events, and participate in the various activities planned for the year. Our dedicated teaching staff is prepared to inspire and guide each student on their educational journey. We have exciting curriculum enhancements, extracurricular activities, and special events planned to make learning both enriching and enjoyable.

In conclusion, I want to express my sincere enthusiasm for the year ahead. Together, let us create an environment where every student feels valued, challenged, and motivated to achieve their full potential. If you ever have any questions, concerns, or ideas to share, please do not hesitate to reach out to me or our administrative team.

Wishing you all a successful and fulfilling school year!

Educationally,

Mr. Anthony Frantantoni
Assistant Principal of Athletic and Academics

WE ARE PROUD. WE ARE ONE. WE ARE TORNADOES!
