<p><i>Picture collections: Please collect the following pictures and place them in your pocket folder. You can use printed photos that you have or cut pictures from a magazine that show things that you like. We will all have a turn to show the pictures during our ESL Meet and to talk about the people and things in the pictures.</i></p>				
<p>Picture collection: 2--pictures of people you know 2--things you like to eat, 1--things you like to play, 1--thing you like to wear, 1--your favorite picture</p>	<p>Picture collection: 2--pictures of people you know 2--of your home, 3--things you like to eat, 2--things you like to play or do, 2--things you DON'T want to wear 1--of your pets, if you have any 1--something exciting you want to do</p>	<p>Picture collection: 3--pictures of family members who live with you, 3--of something inside your home, 3--things you like to eat, 2--things you would like to do or play, 2--items of clothing 2--of your pets, if you have any 1--a person doing an exciting job</p>	<p>Picture collection: 2--pictures of your family 2--pictures of friends or neighbors 3--pictures of your home, 2--things you like to eat, 3--things you like to play or do, 3--items of clothing 1--of your pets, if you have any 1--of an animal that is NOT your pet 1--a person doing a scary job</p>	<p>Picture collection: 2--pictures of family members, 2--pictures of friends 2--pictures of community workers 3--of your home, 2--things you like to eat, 2--food that you DON'T like 2--things you like to play or do, 2--things you DON'T want to do 4--items of clothing 1--of your pets, if you have any 2--pictures of other animals 1--a person doing a job that helps people</p>
<p>OPTIONAL but very helpful!</p>				
<p>Flash cards: New vocabulary words and a picture to match. Sight words for Grade 3, Math cards for addition and subtraction.</p>	<p>Flash cards: New vocabulary words and a picture to match. Sight words for Grade 3-4, Math cards for addition, subtraction, and multiplication.</p>	<p>Flash cards: New vocabulary words and a picture to match. Sight words for Grade 3-5, Math cards for addition, subtraction, and multiplication.</p>	<p>Flash cards: New vocabulary words and a picture to match. Sight words for Grade 3-6, Math cards for multiplication and division.</p>	<p>Flash cards: New vocabulary words and a picture to match. Sight words for Grade 3-7, Math cards for multiplication and division.</p>
<p><i>You can find FLASH CARDS and lists of SIGHT WORDS for each grade level by doing an Internet search.</i></p>
