- Works offline
- Dynamic Text Leveling
- Study tools
- Annotation
- Translation into 100+ languages on Chrome
- Data for reading level and usage
- Bibliographer
- Shows Readability

Study Tools and Outlining

Snap&Read Universal provides students with the structure they need to capture, integrate and organize information. You can also add outline templates to help guide your students through different reading and writing strategies.

-Create Outline- Click on (+) to create new outline

-Name Outline

-Select  the icon

-Highlight the text that you would like to add to your outline

-Release mouse and the text will populate in outline.

Source will also populate in APA, Chicago or MLA

To DELETE text in your outline,

CLICK on (bullet symbol) and choose delete icon

Other options include (+, -) indent, link

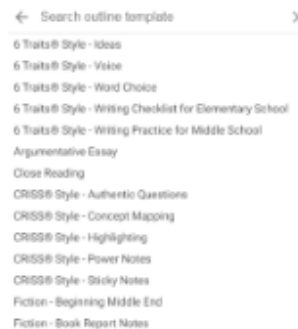

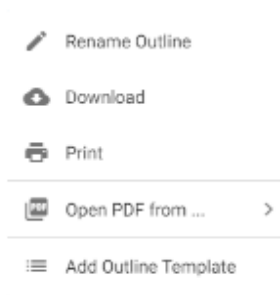

OUTLINE OPTIONS MENU:

Search

Add(s) new bullet to outline

Outline Options

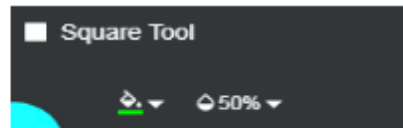

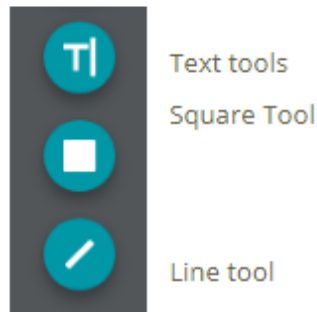

NEW FEATURE: Annotation

Worksheets are now accessible to students! Snap & Read's new PDF annotation feature gives students access to PDFs. They can highlight, add notes, fill in answers, and save their work!
