

Proper Care

Website Restrictions

Dear Parents, Guardians, and Students,

As we enter the December holiday break, we would like to remind parents and students of the following Chromebook guidelines. The Chromebook is provided to students for educational purposes only. Only the student assigned to the Chromebook should utilize the device. Playing games, listening to music, and watching movies are considered inappropriate uses of the school device. When using a Chromebook, be sure to keep it in the case, if one was provided. Hold the Chromebook with two hands, and always place it on an even surface to prevent it from falling. Do not eat or drink around the Chromebook, and finally, do not overcharge the device. Any damage incurred to the Chromebook will be the responsibility of the parent or the legal guardian. Thank you.

Dr. Fitzhugh
Superintendent of Schools

Additionally: Elementary schools have limited access, only allowing access to the **District website, Google Classroom and Clever from December 24, 2022, through January 1, 2023, 11:59 pm.**

Students at OPA, OHS and STEM will have full, uninterrupted access to their district devices.
