

Welcome to Chemistry Class!

Mr. Ondondo
2020 to 2021 School Year
Orange High School
ondondpa@orange.k12.nj.us

Mr. Ondondo-

About me

. Teaching science past the two years

. Majored in Science- Biology and Special Education at Kean University before getting teaching certifications.

.Currently pursuing a Master's Degree in Applied Behavior Analysis in Autism and Other spectrum disorders.

.Music and gardening are major hobbies.

Courses

Courses taught this year:

Chemistry -resource, Inclusion and LLD

Courses taught in previous years-

Biology Inclusion, Chemistry resource

Chemistry Inclusion, Hydroponics, and

Environmental science.

1 st ionisation energy: 1312.050 kJ mol ⁻¹																		1.008		Medium supply risk		Unknown		Unknown		He	

Expectations

Students to attend zoom meetings or google meet classes per their schedules. Will call you if they do not attend classes.

Students to submit their work on google classroom, and ask for assistance via remind when they have a problem with an assignment.

Students to get a Chrome book from school during the device distribution days and should not be browsing on their phones during the zoom or google meeting.

Parental care:

I would like the parents to enrol on the remind app and google classroom to follow their child's progress.

Every parent should have a login for genesis to see their child's grades.

Talk to your kids to apply themselves and focus to achieve their best grades in the current classes.

Encourage their child to meet with teachers during the office hours for that extra help or push to a better grade.

Teacher web page how to

My teacher web page has some relevant information related to the courses; log ins for zoom, google classroom and remind.

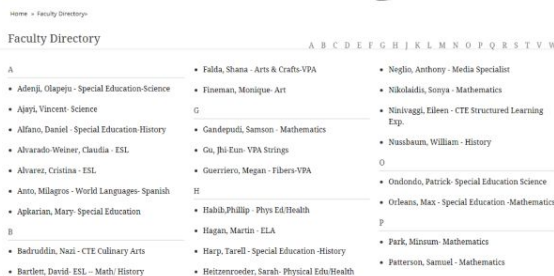

My email address, course syllabus, and the orange school calendar is on the web page.

Step 1 WELCOME TO OPEN HOUSE!
Please go to <https://www.orange.k12.nj.us/Domain/83>

Step 2
Click on Faculty on the top of the page.

Step 3
You should see the directory.

Step 4
Find my name on the directory. You will be able to read about myself and the class. It also describes the class expectations and responsibilities of the students. Also, ways to contact me. If you wish to talk more about how your child is doing in class please let me know so we can talk privately.
