Dear Parents, Guardians, and Caregivers,

Greetings and well wishes from the administrative team at Rosa Parks Community School to you and the members of your family. I hope you are keeping safe and that you have had some time to enjoy the summer with your family. As we look forward to the start of the 2020-2021 school year, we must first reflect on the 2019-2020 school year. First, I would like to commend the Rosa Parks Community School family for your resilience, determination, and assistance in ensuring the well-being of all our constituents during what can only be described as a difficult time for all. As we look forward to the beginning of the new school year, I would like to assure you that the Orange Public School District, in general, and the Rosa Parks Community School administrative team, in particular, are dedicated to working with you to support their social, emotional, academic and intellectual growth, even in times that are different to what we know as normal.

In July, RPCS was redesigned to reflect a campus model. The students in grades Kindergarten through grade 2 were assigned to the new Central Elementary School. Students in grades three through seven were assigned to RPCS. My colleague and partner, Ms. Denise White, is now the proud principal of Central Elementary School. We have been working together all summer to continue all the great work that you are familiar with. We will continue this collaboration to ensure we move these two exceptional schools from Good to Great. Please join me giving her a warm welcome. I look forward to our work together.

As you are aware, there continues to be questions, concerns, anxiety, and uncertainty as it relates to the plan to reopen schools. The Superintendent, Dr. Gerald Fitzhugh, II has held several meetings, sent information, and held Orange Township City Hall meetings to address the district's plans for reopening, allowing all stakeholders to be a part of the discussions on how to reopen safely. On Tuesday, August 11, 2020, the Board of Education approved Plan B, as outlined in the School Reopening Plan (please see the School Reopening Guidelines 2020-2021). Plan B will be structured to address the needs of our students while following the health and safety guidelines outlined by the Department of Education. Based on Plan B:

- September 8, 2020, through November 25, 2020 (Phases 1 (100% Virtual Learning) and 2 (Remote Synchronous), **all students will attend school virtually.**
- November 30, 2020, through December 23, 2020 (Phase 3 Soft Launch), **students needing additional support return to the site on an abbreviated schedule and day.**
- January 4, 2021, through June 24, 2021 (Phase 4: Full Re-Entry), **all students return to the site on an abbreviated schedule and day.**

Please see some extremely important information regarding new school procedures that align with the School Reopening Guidelines are included below. You will receive additional information on these as well as opportunities to pick up supplies and devices at our **Virtual Open House Sessions** (September 2<sup>nd</sup>, and 3<sup>rd</sup>, 2020) and our **Back to School Night** (September 24, 2020). Please mark your calendars.

**STUDENT ATTENDANCE**

- Students are expected to attend school daily, whether in the virtual space or once they are scheduled to return to the building. Student attendance will be taken during homeroom and then by each teacher during their synchronous instruction. This will be on **Mondays-Fridays in Phase One and in Phase Two** during asynchronous instruction on **Wednesdays**, students must sign into their homerooms to get their attendance recorded. Students **must complete and submit the assignments** assigned for the day.
- If your child is going to be absent, please notify the teacher and the secretaries Ms. Price-[PriceReg@orange.k12.nj.us](mailto:PriceReg@orange.k12.nj.us) or Ms. Carr- [CarrDomi@orange.k12.nj.us](mailto:CarrDomi@orange.k12.nj.us). They can also be reached by phone at 973-677-4515 on **Mondays, Tuesdays, Thursdays, and Fridays.**
- The District and State's Attendance policy are still in effect during virtual instruction and the abbreviated and staggered days and schedule.

## **ENGAGEMENT**

- All students are expected to engage in the lessons and actively participate, just as if they were sitting in the classroom. This is the expectation for both synchronous and asynchronous instruction. It is the expectation for **all subjects** that students are assigned.
- All students must access the assigned platforms communicated by the teaching staff. This is how students will be engaged in the teaching and learning during this time. Please ensure that your students are engaged as outlined in his or her schedule.

## **COMMUNICATION**

- Being able to communicate with our parents is extremely important. Please ensure that all your information is updated. You will receive calls from our secretaries to check and update your information in Genesis.
- Parent Portal will be the means of accessing all your student's important information, his/her progress/grades, missing assignments, and other concerns that might impact your student's performance or well-being. If you have not done so, please ensure that you sign up for Parent Portal. We plan on providing training to assist you with this.
- Please listen to phone blasts sent by the school and/or District. They include important information and guidance. This is even more important in these uncertain times.
- Please continue to follow us on social media. The District and School use these platforms to give updated information, share celebratory milestones, and just check in with our families. The handles are as follow: **Twitter @rpcs369; Instagram @rosaparks369**
- Forms- Forms will be distributed either remotely or during the kiosks, which will be set up for devices and materials. As always, these forms are extremely important and must be completed. These forms must be completed and returned/submitted no later than **September 18, 2020.**

## **Assemblies/Concerts**

Assemblies are a regular part of the curriculum and, as such, are designed to be educational as well as entertaining experiences. They also provide opportunities in school for students to learn formal audience behavior. You may refer to our monthly school calendar for scheduled assemblies. We encourage you to join us as we celebrate the talents and accomplishments of our students.

Please be mindful to follow the protocol for picking up your children **after the performances or events**. As a courtesy to other parents please remain seated until the end of the show to allow all the participants to be celebrated.

**During virtual assemblies, families will be provided a link to attend the performances online.**

## **Attendance/Tardiness**

Regular attendance is essential. As a general rule, absences should occur only as a result of illness, injury or a family emergency. Doctor's appointments should be scheduled outside of the school day when possible. When an absence is planned, it is helpful if the teacher is informed in advance. Parents must contact the school office by phone whenever a child is going to be absent. Also, send a written note to the teacher when the child returns to school.

Tardiness has the same impact as an absence. Please make every effort to bring your child/children to school on time on a daily basis. If a student is late, he/she must report to the main office to receive a late pass and be recorded in Genesis as being late. This is important to prevent the student from being recorded as absent. You will receive a phone call via the District's automated system when a student is absent or tardy.

### **Early Pick-Up**

Please note, early pick up of a student prior to dismissal is documented as part of their attendance record.

### **Board Approved Excused Absences (Policy 5200)**

The following consequences may be recommended:

- Teacher Conference: Teacher will meet with student and parent to discuss strategies to improve behavior.
- Teacher Student Contract: A contract will be developed between student and teacher.

- Teacher detention: A teacher held detention where a student is detained, either before or after school to reflect their unbecoming behavior.
- Administrative Assigned Detention – Held in a school-wide specified detention area. Only an administrator may assign a student to this detention. During this detention, students work quietly and are expected to complete schoolwork. Parents will be notified of after school detentions.
- Community Service – A student may be assigned a task within the school or on school grounds that serves the school community. This program provides students with a meaningful community service experience.
- Suspension – Only the principal or designee can suspend a student. When a student is suspended, parents will be notified that a suspension has been assigned and the reason of the suspension. A parent conference will be requested prior to student re-entry. Any students receiving a suspension will also be excluded from any extracurricular activities and school sponsored events for the duration of the suspension. Students are not allowed on school grounds during suspension. The student will be expected to complete assignments made by his/her teachers.
- In-school suspension: Refers to the temporary exclusion from attending regular classes. A student reports to the office on the day(s) he/she is assigned (I.S.S.) and is detained in a room away from their normal school environment for disciplinary purposes.
- Out-of-school suspension: Refers to the temporary exclusion from attending school. The student is excluded from school for any serious/repeated inappropriate behaviors.
- Depending on the infraction, the suspension may be from one to ten days. In all cases, the student will not be re-admitted without a parent conference with an administrator. All suspensions more than three (3) days must be approved by the Superintendent.
- Expulsion – Expulsion describes any suspension from school greater than ten (10) days. Special due process provisions are observed. Decisions in such circumstances are rendered by the BOE.
- Police Notification – Serious infractions of the Student Code of Conduct may result in police notification as per the Memorandum of Agreement. Superintendent must be notified immediately upon serious infractions requiring police involvement.

The same expectations for students apply to virtual instruction. When there is sufficient evidence that a student's misconduct is disruptive, or which threatens the safe and orderly environment of the Google Meet.

The following steps will take place:

1. The teacher will speak to the students privately regarding the behavior.
2. The teacher will call home to inform parent/guardian of the infraction if occurs again.
3. An administrator will contact home and consequences will ensue.

Please refer to the Orange School District's Code of Student Conduct Handbook for specific consequences of student misconduct.

## Early Pickup

If it is necessary for a student to be dismissed from school before the end of the school day, parents must notify the school so that arrangements can be made to have the student ready for pick-up. Please send a note to the teacher if the early pick-up is known in advance.

Please refrain from picking up children early unless there is an emergency. Try to schedule appointments for after the school day. Early pickup affects your child's ability to be exposed to important information that is given at the end of the school day.

Please note, early pick up of a student prior to dismissal is documented as part of their attendance record.

- Provide a quiet place for your child to do homework. Make sure there is sufficient light and that distractions are limited.
