## Chapter 6 Review

Please review with your child. The goal is for them to look at the pictures and orally tell you what is happening or who the person is. They do not have to read the text word for word. The text is there for parents to reference in order to guide student responses.

# What does the word “history” mean?

- A.) story about time in the past
- B.) story about time in the present
- C.) story about time in the future

# Long Ago

To get water, children had to get water from a well.

vs

# Today

Children can get water from the sink in their houses.

Why would it be easier to wash dishes now than long ago?
