District's Vision and Mission

Vision

"The Orange Public School District commits to provide a safe and caring environment where each student is expected to grow and succeed. We pledge to prepare all students with equitable opportunities for college and career readiness, leading to lifelong learning and responsible citizenship in a competitive global community."

Mission

- The Orange Public School District in collaboration with all stakeholders is responsible for promoting the academic, **social, emotional and personal success** of all students.
- With a commitment to academic excellence, the district provides teachers, families, and administrators the **tools needed for all students to reach their full potential**.
- The district serves all students in our schools, acknowledging their **unique backgrounds, cultural perspectives and learning styles**.
- The district recognizes that curiosity, discipline, integrity, responsibility and respect are necessary for success.
- The Orange Public School District cultivates a community of 21st century learners where **students take ownership of the learning process, achieve high standards of excellence, and focus on academics**.

Moving the District From Good to GREAT!

Cleveland's Vision and Mission

Vision

Our vision is to prepare our children for the future, which will require them to demonstrate competencies throughout every phase of their educational experience. They must be able to **collaborate, understand and reason effectively using higher order thinking skills**. In order to be productive and viable citizens in this 21st century, they must also be proficient in the use of state-of-the-art technology.

Mission

Cleveland Street Elementary School is committed to the delivery of instructional services, which will provide a safe, positive and challenging climate conducive to teaching and learning. The New Jersey State Learning Standards along with brain-based research activities will be our guiding principles in achieving our mission.

School-Wide Expectations

Were collaboratively developed for each area of the school building, to ensure that we maintain an inviting and safe environment conducive for teaching and learning, and they are as follows:

Main Office:

Classrooms:

Cafeteria:

Playground:

Hallway:

Stairwell

Lavatory:

The Fall and Spring Student, Parent and Teacher Surveys were to develop the expectations to ensure all stakeholders had input.
