Agenda/Minutes

<p>1. Walk Through Trends</p> <ul style="list-style-type: none"> ● Keeping the students focused. ● More student engagement. ● Intentional planning with read alouds ● Using Blooms questioning techniques ● Students talking more is a goal. ● Students being interactive with white board and zoom has the feature so students can interact with the screen.
<p>2. Focus of Walkthroughs for March</p> <ul style="list-style-type: none"> ● Questioning Techniques—Higher Order using the stems of Bloom’s Taxonomy; Staff reflecting on the types of questions being asked.
<p>3. Observation Schedule Update</p> <ul style="list-style-type: none"> ○ All second-round observations for non-tenured teachers and first round observations for tenured staff are completed. Para observations are currently underway for Machuca and Dr. Blanton has only left. Dr. Blanton is in the middle of the second round of observations for the support staff and will be done with them by the end of February. The second round of observations for tenured staff will begin for Machuca the last week of February and the first week of March for Dr. Blanton. In April all summative evaluations will be the focus for completion with non-tenured staff first then tenured.

Submitted by Karen Machuca, Principal 2-22-21

4. PD opportunities

- Dr. Blanton provided PD on questions and differentiation of instruction during CPT.
- Dr. Cummins suggested allowing staff to visit other staff during their virtual lessons. Use the Relief teacher. Use of “Think Partners” concept
-

5. Feedback: Staff survey indicated that hands on resources are very helpful along with photos
