

ORANGE HIGH SCHOOL **NJROTC**

Advisory Committee

10 October 2022

ADVISORY COMMITTEE INTRODUCTIONS

Roster and Unit Changes

- We are now a four-year high school
- The curriculum is now Naval Science I, II, III, IV
- The cadet roster has increased from 56 cadets to 90
- Cadets in NSIII and NS IV have requested and are assigned to NSI and NSII classes as mentorship cadets. They attend two classes a day, with one being a no-credit elective.
- Cadets take PE, health and wellness, and first aid in Naval Science

Naval Science I

17 cadets in 9th grade (10 males, seven females)

Naval Science II

31 cadets in 10th grade (12 males, 19 females)

Naval Science III

29 cadets in 11th grade (15 males, 14 females)

Naval Science IV

13 cadets in 12th grade (7 males, six females)

Enrollment Eligibility Requirements

- Be enrolled in and attend a regular course of instruction in grade 9 through 12.
- Be physically qualified to participate fully in the physical education program of the host school. Physicals are required and will be done with fall sports.
- Be selected by the NJROTC instructor with the approval of the school principal or his/her representative.
- Maintain acceptable academic achievement standards and an academic standing that warrants at least normal progression leading to graduation.
- Maintain acceptable standards of conduct.
- Comply with specified personal grooming standards. Common sense and good judgment apply to the attainment of these standards. Standards will not be relaxed so as to reflect discredit upon the naval service.
