Caring Ensures Success!

School Vision

Central Elementary School is dedicated to providing a nurturing environment for all children. Our educators will provide excellent educational opportunities that will foster the social and emotional development of our scholars. Students will develop strong foundational skills that will lead to a love of learning.

School Mission

Central Elementary School is committed to:

- ▶ Promoting a safe and healthy physical and emotional environment
- ▶ Building a culturally inclusive community which supports and appreciates all parents and families
- ▶ Supporting the creativity and development of our early learners
- ▶ Providing instruction that is developmentally appropriate
- ▶ Developing responsible and productive citizens
- ▶ Facilitating parental involvement in the education of their children and school community

Attendance/Tardiness

Regular attendance is essential. As a general rule, absences should occur only as a result of illness, injury or a family emergency. Doctor's appointments should be scheduled outside of the school day when possible. When an absence is planned, it is helpful if the teacher is informed in advance. Parents must contact the school office by phone whenever a child is going to be absent. Also, send a written note to the teacher when the child returns to school.

Tardiness has the same impact as an absence. Please make every effort to bring your child/children to school on time on a daily basis. If a student is late, he/she must report to the main office to receive a late pass and be recorded in Genesis as being late. This is important to prevent the student from being recorded as absent. You will receive a phone call via the District's automated system when a student is absent or tardy.

Chronic Absenteeism: A written note must follow all absences from the student's parents/guardian. After 3 unexcused absences a phone call and/or an attendance referral will be completed.

Unexcused absences exceeding 18 days may result in retention. A student who has accumulated more than 18 absences in a single school year may be retained in the same grade for another year due to absences.

If your child is going to be absent please notify the teacher and the secretary Ms. Hall hallbe@orange.k12.nj.us She can also be reached by phone at 973-677-4110.

Early Dismissal

If it is essential that your child be dismissed from the school early, please send a written request to the classroom teacher. The child will be dismissed to the office and must be signed out by an adult noted on the Emergency form. **NO CHILD WILL BE ALLOWED TO GO HOME EARLY WITH-OUT BEING ACCOMPANIED BY AN ADULT (18 or older).**

Please limit early dismissals as they are a disruption to instruction. Our school day ends at 3:00 p.m. Once students are dismissed they are not permitted to re-enter the building. Students will not be permitted to leave for an early dismissal between the hours of 2:30-3:00pm).

Please note, early pick up of a student prior to dismissal is documented as part of their attendance record.

Doctors' Appointments

Medical and dental appointments should be scheduled when school is not in session. If an appointment must be kept during school hours, the student must bring a doctor's note on the doctor's stationary or from the parents stating the time and date services were given to the student. Students will be responsible for all missed assignments.

Arrival Procedure

- Students must arrive to school by 8:20 a.m. but not before 7:50am. Attendance is vital to instructional supports for our students. We need our students on time and present each day.
- Teachers will meet their students in the assigned location at 8:20 a.m. Breakfast will be served in the classroom.
- Students must wear appropriate school uniform to school daily.

If you choose to have your child bring lunch from home, please be mindful that staff cannot warm up student lunches in the microwave and no peanut products are permitted. Fast food restaurant items, soda or candy are not permitted as our district has adopted the Federal Government Wellness Policy.

When eating breakfast or lunch in the classroom or cafeteria, please follow these expectations:

2. No sharing of food.
3. Ensuring that tables or surrounding areas are clean.
4. Remaining seated at all times.
5. Students are expected to be courteous to lunch aides, cafeteria workers, administrators, school personnel and students.

Classroom Interruptions at School

In order to provide our students with optimum instructional time, classroom interruptions should be limited. Students and/or teachers will not be called to the phone or asked to leave the class unless in case of an emergency. Conferences with teachers will be virtual and scheduled by contacting the teacher. We are unable to accommodate requests for impromptu conferences since the teacher may be involved in classroom instruction at the time.

Classroom Parties

All birthdays will be celebrated on the last Friday of each month. If you would like to send something in for the class please bring in prepackaged items.

Code of Conduct

Staff, students and parents at Central School believe that order and discipline are essential to an effective educational environment. Parents and students will receive a copy of the Orange Board of Education Code of Student Conduct which must be signed and returned to school. Everyone in the school community must play an active role in contributing to an orderly and safe school setting that promotes mutual respect and maximizes everyone's opportunity to teach and learn.

Please refer to the **Orange School District's Code of Student Conduct Policy #5600** for specific consequences of student misconduct.

Parents are strongly encouraged to monitor their child's academic progress and behavior via the District's **Genesis Parent Portal and Class Dojo**.

Health and Safety

Please see [The Orange Public Schools Reopening Guidelines](#) for a detailed information.

Please note at this time face coverings are optional for students, staff, volunteers, and guests.

Students' health and safety is the school's foremost concern. The following information describes the precautions taken to protect the well-being of all students. If your child has a specific health, safety or security need, please inform the school so that appropriate accommodations can be made.

MEDICATION

The nurse must be informed of any prescription medicine that a student is required to take at school. To dispense medication, the nurse must have the requisite documentation from a licensed physician and a signed permission slip from the parent. The medication must be brought to the Nurse's Office by the parent and must be in the original packaging/container. It must be labeled with the child's name, the name of the medication, the date of expiration and the proper dosage noted. The nurse or other members of staff cannot administer non-prescription drugs to students.

Parents must notify the school of any allergies that the student may have. Medical documentation of the allergies and medication to treat such allergies must be given to the nurse immediately. Parents are also required to inform the nurse, in writing, of any chronic illness that the student may have. This information is confidential.

ILLNESSES

In order to prevent communicable diseases at school, the following guidelines have been developed. Please keep children at home if they have any symptoms of illness. This will assist in preventing the spread of infections and contagious diseases as well as help improve attendance in general.

These guidelines should be used to help determine if you should keep your child at home:

- Cold symptoms such as: Runny nose, congestion or persistent coughing
- Temperature of 100 degrees or more. Symptoms to watch for are flushed face, chills and skin that feels warm to the touch.
- Episodes of diarrhea or vomiting in the past 12 hours.
- Red inflamed eyes, swollen, discharging eyes; sores with drainage or other lesions. Seek medical treatment before sending the child to school.
- A persistent rash that is not allergy related

Students who have been absent from school due to hospitalization or crisis referral must return to school with medical clearance documentation and report directly to the nurse upon initial arrival to school.

Hand Hygiene and Respiratory Etiquette

- We will continue to teach and reinforce hand washing with soap and water for at least 20 seconds. If soap and water are not readily available, hand sanitizer that contains at least 60% alcohol can be used (for staff and older children who can safely use hand sanitizer).
- We will inform students and staff to cover coughs and sneezes
- Used tissues should be thrown in the trash and hand hygiene as outlined above should be performed immediately.
- We will maintain adequate supplies including soap, hand sanitizer with at least 60 percent alcohol (for staff and older children who can safely use hand sanitizer), paper towels, tissues, and no touch trash cans.
- Hand hygiene should take place: Upon arrival at school. Before and after meals and snacks. After going to the bathroom. Before leaving for the day. After blowing nose, sneezing, or coughing into tissue. When hands are visibly soiled. Assist/observe young children to ensure proper hand washing

For additional information please contact Ms. Siebert school nurse at sieberja@orange.k12.nj.us

Homework Policy

The primary purpose of homework is to foster responsibility for the learning process, time budgeting and prioritizing. It is an extension of the learning that occurs in the classroom each day and reinforces what is taught. The objective of assigning homework is to:

- Provide for essential practice in skills
- Enrich and extend classroom experiences and build positive work and study habits
- Provide experiences in finding resources and gathering data
- Encourage the development of self-discipline and integrity

The amount of time your child should spend on completing homework assignments may vary from grade to grade. For children in grades K-2 the following is a guide to the amount of time your child should spend on daily homework assignments:

GRADE	MINIMUM NUMBER OF MINUTES
KINDERGARTEN	20 MINUTES 5 days a week
1 st GRADE	30 MINUTES 5 days a week
2 nd GRADE	40 MINUTES 5 days a week

It is required that all children read at least **20 minutes a day (in addition to homework)**. Parents can help by reading to their children or reading with their children (something that is informative or just for pleasure). The time-spent reading to your child/children will be invaluable. Remember, when the school and parents work together and collaborate, our children are the beneficiaries.

Law Enforcement Unit

Central Elementary School has a Law Enforcement Unit which indicates that there are surveillance cameras throughout the school. Surveillance tapes may be utilized as evidence for incidences that may occur which may cause disruption or disorder to the school. The unit will be responsible for the storage of the tapes and ensuring confidentiality.

Parental Involvement:

We strongly encourage parental involvement as statistics have shown that it directly impacts academic achievement. Please make a commitment to your child's success by being involved in his/her education.

We are in need of two class parents per classroom. If you are interested in holding this position, please notify your child's teacher immediately. Thank you for your continued support and we look forward to a productive school year.

Restrooms and Hallway Expectations

Each teacher has a bathroom protocol and log. If your child has a special circumstance, please notify the

school nurse and the classroom teacher.

Bathroom Expectations:

- Keep your hands, feet, and objects to yourself
- Keep bathroom clean and free of graffiti
- Return to your destination promptly
- Report unsafe situations

Hallway Expectations:

- Students must follow social distancing signs displayed in the hallway
- Use quiet / inside voice
- Keep your hands, feet, and objects to yourself
- Return to your destination promptly
- Report unsafe situations

Safety Drills

The school will have two drills per month. One will be a fire drill and the other will consist of evacuations, active shooter, an intruder to the building, bomb scare, or lockdown. Specific signals and procedures have been established for these drills and safety areas have been designated. Teachers and staff are equipped with instructions and all drills will be practiced with students. During these drills, no one will be allowed to enter or leave the building. Please be patient and understanding of this important rule. Your child's safety is our number one concern and priority.

School Counselor Services

At Central Elementary School, we offer in-house counseling services to assist you and your child. These support services are provided by certified trained professionals who will address those students who manifest emotional and social problems within the school setting. The school counselor will assist your child in improving their peer relationships, developing good decision making skills, and developing strategies to cope with issues of stress they may face. Individual as well as group counseling is offered, in addition to referrals for appropriate community agencies and services as needed. In addition, our guidance and counseling staff will identify factors that can make school a more successful, productive and happier experience for all our students and their families.

SEL – Social and Emotional Learning

Every Student Succeeds Act (ESSA) was enacted in 2015. The law includes requirements to enhance the Social Emotional Learning supports in school environments in areas i.e. programs, instructor training and assessments that incorporate SEL.

Implementation of Social Emotional Learning Practices for all students will be measured by the reduction of chronic absenteeism, in/out of school suspensions and HIB incidents
