Good Day Orange Early Childhood Families and Staff,

I hope that you are resting and relaxing during this summer break and are reconnecting with family and friends. We have exciting news to report from the July 13, 2021, board meeting. I am very pleased to announce that Ms. Emily Bischoff will become the new Vice Principal of the Orange Early Childhood Center.

Dr. Blanton is eager to hand the baton off to someone who has the background and the knowledge to continue the high standards that we have established but more importantly, I am confident that Ms. Bischoff will move OECC to a higher level.

Ms. Bischoff is coming to us from Englewood Public Schools where she served as a preschool and kindergarten special education teacher as well as an administrative liaison at the DA Quarles Early Childhood Center. In her administrative role, Ms. Bischoff was a co-leader of the Learning Design Team where she wrote manuals, workbooks, and articulation resources. Ms. Bischoff is a member of the Apple Learning Support Team and has used her skills to provide support and professional development to staff and families. Additionally, Ms. Bischoff facilitated presentations for the Parent University Program in her district and she has experience with writing and applying for grants.

Ms. Bischoff comes to us with a passion for equity in education and culturally responsive teaching. She is also committed to meaningful engagement with families and the community.

Dr. Blanton is leaving OECC in very capable hands. The Administration is confident that OECC will continue to move from Good to Great! Welcome to the family Ms. Bischoff.

In Partnership,
