Dear Graduates and Guardians,

As we come to the end of the 2025 school year and graduation approaches, we want to ensure you are well-informed about important upcoming graduation-related details. All students who have met the graduation requirements set forth by Orange Public Schools and the State of New Jersey are eligible to participate in the commencement ceremony.

Graduation is one of the most significant milestones in a young person's life. It is a moment of pride and joy—both a family celebration and a school tradition. Our graduation ceremony is a proud tradition that spans over 150 years. Every effort is being made to ensure this year's ceremony is a memorable event.

The administration and faculty are committed to making this a beautiful and meaningful experience for each graduate and their loved ones. To ensure the ceremony is well-organized, we kindly ask all participants to carefully follow instructions and work together. The remainder of this booklet contains important information and suggestions regarding graduation, including key dates to remember.
