## Introduction

The Orange School District is committed to providing every student with the opportunity to attend school in a safe environment that promotes learning for all children. The goal of the Code of Student Conduct is to provide clear and concise parameters for student conduct and discipline. The purpose is to establish an atmosphere for discipline which creates support for positive personal growth and achievement.

All students, staff, and parents of the district must fully understand the expectations for student behavior while in attendance in our schools, attending school-sponsored activities, or utilizing bus services provided by the district. We expect students to behave responsibly, to respect the properties of others, and to work cooperatively with all members of the school community. Thus, when a student commits an offense, they must be corrected to ensure that all students obtain maximum benefit from our educational offerings. The Orange School District has developed strategies that are fair and consistent, designed to correct undesired behavior while ensuring the rights of all.

School Administrators are to ensure that the Code of Student Conduct is distributed to each student and family at the beginning of the school year and to any and all incoming students and families throughout the year. The Student Code of Conduct must be reviewed by principals/administrators' during the month of September.

The Code of Student Conduct and expectations for student behavior should be reviewed with parents. All parents are encouraged to reinforce the Student Code of Conduct with their children.

The administration must take responsibility to create and maintain a safe school environment in collaboration with staff, student, parents, and the school community. All schools must have established practices and routines that teach and reinforce appropriate student behavior in school and classrooms. The Code of Student Conduct represents a proactive approach to establish a school environment that is safe and encourages student self-discipline, to minimize the use of exclusionary interventions for students who violate the Discipline Policy.

## VI- Attendance

The Board of Education requires the students enrolled in the schools of this district attend school regularly in accordance with New Jersey State Law. The educational program offered by the Orange School District is predicated on the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

NJ State Law requires that we document all days when a student is absent from school. As such, the school will monitor student attendance and timely arrival throughout the year. **Students who have missed 18 or more days of school, excused or unexcused, will be labeled as “chronically absent” by the State of New Jersey.**

**Attendance at school may be excused for certain absences as defined by the Board. All absences for reasons other than excused shall be unexcused.**

Recommended Excused Absences for Orange Public Schools:

- A. Student illness (over 3 days physicians note)
- B. Family illness or death
- C. Educational opportunities
- D. Excused religious observances, pursuant to N.J.S.A. 18 A:36-14 through 16
- E. Where appropriate, when consistent with IEP (accommodation plans)
- F. Suspension from school
- G. Students required attendance in court. (Court papers must be presented)
- H. Necessary and unavoidable medical and dental appointments that cannot be scheduled at any other time.
- I. Take Your Child to Work Day
- J. A reason not listed above, but deemed excused by the Principal upon written request by students parent or legal guardian

Schools shall monitor these excused absences closely for excessive utilization, when necessary documents must be required.

# Orange School District Code of Student Conduct

---

## VI- Attendance – (continued)

### **Unexcused Absence:**

On a day when an absence/lateness is for reasons other than those noted above as “excused,” the day of absence/lateness is recorded as “unexcused” and will go into your child’s permanent record marked as such. Please note that family vacations and other non-educational activities are not included in the list of “excused” absences above. They are considered “unexcused” absences, and should be planned so they do not interfere with school attendance. Parents/guardians must assume full responsibility for all missed academic assignments. Teachers will not provide work in advance of such absences but may provide work upon a student’s return.

In addition, in accordance with *NJ Statutes Annotated (NJSA) 18:A* and *NJ Administrative Code (NJAC) 6A*, the following guidelines will be followed when absences are “unexcused.”

- For up to 3 cumulative unexcused absences, the school will conduct an investigation including contact with the student’s parents to determine cause of absences; will develop an action plan as necessary.
- Parent notifications will be sent out after the 3<sup>rd</sup>, 6<sup>th</sup>, and 9<sup>th</sup> absence.
- For between 5 and 9 cumulative unexcused absences, the school will conduct a follow-up investigation including contact with the parents, will evaluate and revise the action plan above to include referrals, consultations or assessments, and will cooperate with law enforcement and other authorities and agencies;
- For cumulative unexcused absences of 10 or more, the student is considered truant. For students between the compulsory school ages, the school district will make referral to the court program as required by the *NJ Administrative Office of the Courts*. The school will make home visit, consult with the parents, cooperate with law enforcement and other authorities and agencies, and will proceed in accordance with *NJSA 18A, Compelling Attendance at School*, and other applicable State and Federal statutes, as required.

**Unexplained Absence:** Parents/guardians must provide the school with a reason for a child’s absence. If the child is not in school and the school office has not received parental/guardian notification as to reason, this absence will be considered “unexplained” and will be marked as “unexcused” in the child’s permanent record and the guidelines above will be applied. In the event of “un-notified” absence, the school will make a reasonable attempt to contact the child’s parents to determine the reason for the absence prior to the start of the following day.

**Absences during Testing Periods:** If a student has an absence during the District or State standardized testing periods as advertised on the District calendar, he/she will only be able to make-up the test during the scheduled retake period that follows the testing period. This includes end-of-year final exams and math tests at all levels including those that determine placement and acceleration.

**Reporting Absence:** It is a parent’s/guardian’s responsibility to call the school when a child is going to be absent.

## Orange School District Code of Student Conduct

---

### **VI- Attendance – (continued)**

**Reporting Lateness:** If a student must report to school late, the parent must escort the student to the office and provide the office staff with the reason for the tardiness. The parent must sign the student in at the main office or the receptionist desk.

**Reporting an Early Sign-out:** Early sign-out from school is discouraged; however, we realize there are times when this will occur. Please send a note in advance to alert us of the need to sign your child out early from school. The parent must come in to the main office to sign the student out. In the event that an adult other than the parent reports to pick up a student; he/she must be on the emergency card and must present a valid ID or driver's license.

**Readmission after Absence:** A physician's statement explaining a non-communicable absence of *more than three days* is required. The school nurse must receive a written physician explanation if the student has been absent with a communicable disease for *any length* of time. This will serve as evidence of the student being free of the communicable disease.

# Orange School District Code of Student Conduct

## **Section VII – Memorandum of Agreement/Due Process**

### **Memorandum of Agreement:**

In New Jersey, this is a uniform Memorandum of Agreement (MOA) between school districts and law enforcement officials. The MOA, which is approved by the NJ Department of Law and Public Safety and the NJ Department of Education, documents the commitment for schools and law enforcement agencies to work together as equal partners to enforce the law on school grounds. The MOA also details how schools are to report suspected incidents involving alcohol or drugs, weapons, child abuse, hazing, harassment, intimidation and bullying, or problems that compromise school security or safety. School administrators use the MOA to determine their course of action when faced with matters that rise to this level.

### **Due Process:**

Parents and students have procedural due process rights under the Fourteenth Amendment with respect to discipline that involves the possibility of serious sanction and consequences such as suspension or expulsion.

# Orange School District Code of Student Conduct

---

## **SECTION VIII - DISCIPLINE INFRACTIONS WITH CONSEQUENCES (GRADES K-4)**

Teaching appropriate social behavior is an integral component of the Districts work. It may however be essential to address consistent misbehavior.

### **Corrective Measures:**

When unacceptable behavior is displayed; then it is necessary to provide corrective measures through a series of procedures which are clearly understood by all.

Punishments which are humiliating or degrading will not be used.

Punishment will be in proportion to the offense and unacceptable behavior will be investigated before action is determined.

### **Consequences:**

Consequences take a variety of forms. If possible the aim is that the child should make some form of reparation for the misbehavior. It is essential that the child apologizes. Teachers should keep a log in which inappropriate behavior is recorded.

### **Consequences include:**

1. A verbal reprimand
2. Moving a student's position in class.
3. Consultation with parent
4. Principal or Assistant Principal will implement strategies to improve and monitor the student's behavior and keep the parents informed. Strategies may include:
  - The removal of privileges such as participation in non-educational field trips or sports events
  - Placing a student on a daily behavioral plan, where teachers will comment during the day on behavior.
  - Development of 'student contract' between the student, parent and school aligning to the 'Code of Student Conduct'.
  - If the behavior does not improve, the 'student contract' is broken or a serious misdemeanor occurs and the student will be referred to the Intervention and Referral Committee.

### **Additional Corrective Measures Include:**

#### **Detention:**

A student will be automatically detained at playtime or afterschool for:

- Constant disobedience
- Hurting others/physical violence
- Disruptive behavior
- Bad language, including references to race, gender, size or disability
- Answering adults back in an inappropriate manner
