August 18, 2021

Dear Parents, Guardians, and Caregivers,

We are excited for the start of the 2021-2022 school year at Heywood School! It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Heywood Avenue School. We are partners, jointly dedicated to helping your child grow socially, emotionally, and intellectually. Please be reminded that students report for the first day of school on Tuesday, September 7, 2021. This school year will be filled with continued opportunities to stretch your child's practice. It is going to be a great school year for not only the school level staff but for each of you as well. For the last 15 months, we were immersed in a remote and/or hybrid model, be advised that we are returning to all buildings on September 7th. Governor Murphy shared in Executive Order #175 that remote learning would be ending as of June 30, 2021. As shared by Superintendent Dr. Fitzhugh, the end of the remote option provided the district the opportunity to plan accordingly for the safe return for all students and staff. What did the district do? We maintained our mask mandate throughout the summer, continued our temperature checks, and social distancing.

Throughout SY 21-22, as we did during the spring and summer, COVID testing will continue at every school building throughout the school year. We will continue the daily COVID-19 questionnaire that you completed each day last school year in Genesis. The district's mask mandate will help to ensure the continued health and safety of all staff and students.
