## Superintendent of Schools

To our Shining Stars,

The district is so very proud of all that you accomplished this school year in Kindergarten.

From perfecting your reading and writing as well as learning new numbers and patterns, you took each experience and mastered it.

As you embark on new experiences in first grade, take the lessons learned in Kindergarten and continue to build. I cannot wait to see your growth spurt over the summer as you enter our doors in September.

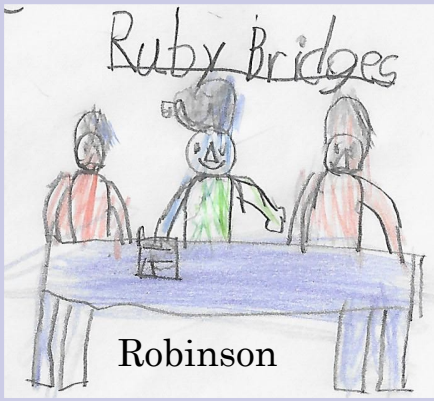

In closing, continue to have a zest for learning and use the summer to enjoy new experiences that will contribute to your growth.

Educationally yours,  
Dr. Gerald Fitzhugh, II  
Superintendent of Schools

You have experienced school like no others in history and have done an outstanding job in the process. Your hard work is on full display as you move through the halls of Lincoln Avenue. The time has gone by so fast, and I want you to know that I look forward to seeing you in 1st grade. Please continue to make us proud and continue to be Proud Panthers!
