Good Day Families,

As you know, the Week of April 19th begins hybrid instruction within the Orange Public School District. With that being said, please ensure that you review the letter sent home by your child's principal. In addition, it is important that students report on their assigned days. Furthermore, as we are opening up the district in small factions, it is important to share that if your child is sick, do not send them to school. If they will be absent, contact the school so they are aware. Remember, the health and safety for all is our focus as we move back to in person instruction. It will take all of us to make this successful.

Children are expected to bring their fully charged district issued chrome books to school with them on their assigned days for in person instruction. Also, continue to practice proper mask wearing with your children. Should your child need a mask while on campus, we will provide masks to them. All schools hosted town hall meetings for our impending return, make sure that you follow the procedures as laid out by our school leadership. The Superintendent's presentation is on the website under latest news and information. Again, take a look at it and as always should you have questions, please email reopeningofschools.orange.k12.nj.us. All families of children that are returning for in-person instruction will be required to fill out a Daily COVID-19 Questionnaire each day that your child is scheduled to be in district. Continue to work with the district to properly ensure the health and safety of your child as well as their peers and the staff is the focus. Reminder: school is for a full day and does not end at 11:15 AM or 12:30 PM. We have to provide each child with an optimal educational experience. For those that are continuing remote, we will continue to have our breakfast/lunch grab and go beginning at 7:30 AM and concluding at 1:30 PM at the following locations:

- OECC, located 397 Park Avenue
- Scholars Academy, located at 268 Capuchin Way
- Forest Street School, located 651 Forest Street
- Heywood Avenue School, located at 421 Heywood Avenue
- Lincoln Avenue School, 216 Lincoln Avenue
- Oakwood Avenue School, located at 135 Oakwood Avenue
- Park Avenue School, located at 231 Park Avenue
- Rosa Parks Community School, located at 369 Main Street

- STEM Innovation Academy of the Oranges located at 445 Scotland Road South Orange
- Orange High School located at 400 Lincoln Avenue
- Orange Preparatory Academy located at 400 Central Avenue

In closing, the entire school district is excited about in-person learning beginning on Monday, April 19th. This will be the beginning of great things happening for staff and students. Thank you as always for your continued support of the Orange Township Public School District.

Buen día Familias,

Como usted sabe, la Semana del 19 de abril comienza la instrucción híbrida dentro del Distrito Escolar Público de Orange. Dicho esto, asegúrese de revisar la carta enviada a casa por el director de su hijo. Además, es importante que los estudiantes informen sobre sus días asignados. Además, como estamos abriendo el distrito son pequeñas facciones, es importante compartir que, si su hijo está enfermo, no los envíe a la escuela. Si estarán ausentes, póngase en contacto con la escuela para que estén al tanto. Recuerde, la salud y la seguridad para todos es nuestro enfoque a medida que volvemos a la instrucción en persona. Esto nos llevará a todos a ser exitosos.

Se espera que los niños traigan a clase completamente cargado su Chromebook emitido por el distrito a la escuela con ellos en sus días asignados para la instrucción en persona. Además, continúe practicando el uso adecuado de máscaras con sus hijos. Si su hijo necesita una máscara mientras está en el campus, les proporcionaremos máscaras. Todas las escuelas organizaron reuniones del ayuntamiento para nuestro inminente regreso, asegúrese de seguir los procedimientos establecidos por nuestros líderes escolares. La presentación del Superintendente está en el sitio web bajo las últimas noticias e información. Una vez más, dar un vistazo a ella y si tiene preguntas, por favor mandar un correo electrónico a reopeningofschools.orange.k12.nj.us. Todas las familias de niños que regresen para recibir instrucción en persona deberán llenar un cuestionario diario covid-19 cada día que su hijo está programado para estar en el distrito. Continúe trabajando con el distrito para garantizar adecuadamente la salud y la seguridad de su hijo, así como de sus compañeros y el personal. Recordatorio: la escuela es para un día completo y no termina a las 11:15 AM o 12:30 PM. Tenemos que proporcionar a cada niño una experiencia educativa óptima. Para aquellos que continúan a distancia, continuaremos teniendo nuestro desayuno / almuerzo grab n go a partir de las 7:30 AM y concluyendo a la 1:30 PM en los siguientes lugares:

- OECC, located 397 Park Avenue
- Scholars Academy, located at 268 Capuchin Way
- Forest Street School, located 651 Forest Street
- Heywood Avenue School, located at 421 Heywood Avenue
- Lincoln Avenue School, 216 Lincoln Avenue
- Oakwood Avenue School, located at 135 Oakwood Avenue
- Park Avenue School, located at 231 Park Avenue
- Rosa Parks Community School, located at 369 Main Street
- John Robert Lewis Early Childhood Center located at 123 Cleveland Street
- STEM Innovation Academy of the Oranges located at 445 Scotland Road South Orange
- Orange High School located at 400 Lincoln Avenue
- Orange Preparatory Academy located at 400 Central Avenue
- Central Elementary School located at 33 Cleveland Street

Para terminar, todo el distrito escolar está entusiasmado con el aprendizaje en persona a partir del lunes 19 de abril. Este será el comienzo de grandes cosas sucediendo para el personal y los estudiantes. Gracias como siempre por su continuo apoyo al Distrito Escolar Público de Orange.

Educativamente,
Dr. Fitzhugh II,
