Good Day Orange School District Staff and Families,

I hope this communication finds you well. Additionally, I am hopeful each of you are in great health and spirit. The Orange Township Public Schools recently discovered a security incident that required us to temporarily take some of our computer systems offline. In response, we secured our computer systems and commenced an investigation. The investigation is ongoing, and we are working to restore operations as quickly and as safely as possible. In the interim, the following services are temporarily unavailable:

- ✚ Windows/Staff Email Accounts
- ✚ Frontline Services
- ✚ Print Services

We are working to bring systems back online as quickly and as safely as possible. The investigation is ongoing; to ensure the integrity of that investigation, we are unable to provide additional details at this time.

Currently, we are unable to provide a timetable for the completion of those efforts.

We appreciate your continued patience, and we will provide additional updates as appropriate.

Educationally yours,

Gerald Fitzhugh, II, Ed.D.
